CRUSADERS

CATHOLIC CENTRAL HIGH SCHOOL

LONDON, ONTARIO

Mr. Robert Mitchell, Principal

Mr. Les Fekete, Vice Principal

Mr. Sandy Massaro, Vice Principal

Dear Students:

The 1984-85 Academic Year is soon to be history; the events which shaped it have been faithfully reproduced in the pages of this yearbook.

As principal of C.C.H. I feel privileged in keynoting these pages and in congratulating all who were involved in producing them. Achievements of this sort abound here and they serve as a tribute to a talented group of students and a dedicated teaching staff.

The memories of 1984-85 which we all share are but a part of what we have experienced together this past year. Your spiritual and academic growth have been major objectives for the staff; the end results will, I am sure, gratify both your teachers and your parents.

To the Class of '85 and to those who are moving on go our congratulations and best wishes. You are the heirs of a very proud tradition and I feel confident that you will continue to uphold it in the years which follow.

May God bless you all!

Sincerely,

Robert Mitchell

JOHN AHLERS

Tammy, I mean John has spent the past five years searching for that perfect woman. After several revealing Phys Ed Classes, he found HER. This year John has spent his time chasing Tam around the track. He also played (or at least tried) water polo, hockey, and swim team. John has been unanimously voted Most Likely to Marry Tammy and become a fashion designer (who wore the LOUDEST shirt this year??)

NANCY ALVES

Nanc is our quiet yet funny Portuguese girl (second runner up anyway). She has this unique habit of looking at people's feet. "There is a lot you can tell about people by the shoes they wear." The only exception to this rule is Wed. night excursions where the sights are more appealing and far surpass feet watching huh Nanc? If she isn't rescuing lost campers she is befriending old people. She is the only 18 yr old brownie. Good Luck with the feet watching Nanc!

CRISTINE ANANIA

"Comment ça va??" Cris is one of those sexy French women that you see in the movies (like Bridget Bardot). Crissie is no dumb bimbo though, as she is going to Waterloo for engineering. However we wonder if there was a family connection involved here (i.e. the V.P.'s son!!) Cris has been voted most likely to change her name, as most people misspell her name (just for the record, it doesn't have an "h" in it) and no one can PRONOUNCE her last name. Thank Cris for driving to the Bend, locking us out of your house at 6 a.m. (YoYo!) and being an all-around great gal!

CHRISTINE ANELFINGER

We all know the many variations there are to Chris's last name (Ha, Ha). Bet you can hardly wait to get married, eh? Everyone knows Chris is a cute, easy-going gal who gets along with everyone. Her favourite hobby is watching Walt Disney cartoons. Her all time favourite song is "Chuckies in Love!" Gotcha Chris! Her ambition is to own her own business. We know she'll do it too! Good Luck Chris.

STUART ANDERSON

Stuart is our resident tennis pro. He was voted most likely to win Wimbledon and probably will. This man enjoys the best things in life. (Don't we all!) Stuart is a really nice guy and a terrific friend. Well Stu, have a great time at Western next year!

NANCI AYEARST

Nance is your typical fun-loving blonde. If you ask her a dumb question, you'll get a dumb answer. But don't let that exterior fool you, she's a very smart girl. Nance is also one of those Flat, Matt Grand Bend girls! Nanci's future ambitions include Fanshawe and then becoming a nurse. You'd cheer all the patients up with your pretty smile! Good Luck Nance!

CHRIS BALDWIN

Baldo! Our very own Gr. 13 Rocker with a leather jacket and everything. Chris wasn't around much, he just went to school and went about his business. He's a very affectionate guy, especially with the women (You slider Baldo). He was a star on this year's hockey team. Good work, Chris. In the years to come, Chris can be seen in the Air. No, it's not a bird, it's not even Super Man. It's Capt. Christopher Baldwin flying a 747. Good Luck in T.O. Chris.

KRISTEN BARAN

As you can see, Kristen failed to have her Y.B. picture taken. Just for the record, Kris resembles Dottie on All My Children, however Kris is one of the nicest people you could ever meet, where as Dottie is a witch. Kris was at the Mount before she came to C.C. High, but no one's perfect. The Baran is obsessed with horses. (We think she's related to Princess Anne of Britain). She also loves Magnum P.I. and therefore named her horse "Thomas" (O.K. fine). Kris is known for her trademark hair, Canada Coolers and lunching in her car with its sunroof down.

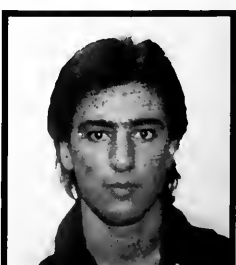

ANDREW BARTLEY

Andrew really enjoyed Economics this year, even if he didn't hand in any major assignments. Well, Andrew still got a lot out of that class and will probably go on to teach his own version of Economics (whatever that is). His future plans include fun, frolic and all nighters. Good luck in whatever you do Andy.

LUIGI BASACCO

Luigi enjoys playing soccer and having a great time at the Marconi Club. (Obviously he's Italian!) But his life ambition was to play basketball. Unfortunately his height didn't quite make it. Luigi is another Gr. 13 who enjoys the best in life. Have a great life Luigi!

GINO BATTEL

Gibenzo belongs to the 's' group (suck some suds), although he hates warm suds, his big goal in life is the conversion of two (inside joke). I wonder what Gino means? Well anyways good luck Gino at whatever you do even if it is just sucking suds!

DAVE BENJAMIN

I'd like to write something nice about Dave but I wouldn't want to lie. Seriously though, Benjie has contributed a lot to C.C.H. in track, football, Blue and White and Mr. Furlaro's french class. Dave may have somewhat of an ego problem (on his survey he listed himself as best dresser, prettiest boy, nicest person and nicest legs.) But his goal for the future is to become "hopefully a human being". Go for it Dave! We know you can do it!

ELIZABETH BEZZINA

Elizabeth doesn't want us to mention what she did during her lunch hours. So we won't tell the world that she was H---Pr---. "Buzzy" hates Miller (the politician, not the beer) but loves the Boss. Liz likes to think that she's already grown up (but has anyone noticed?) and would like to become a tall accountant. Well until then, he did a great job at what we can't mention and haven't mentioned. (I think we did a good job of not mentioning it!)

CECILIA BEZZINA

Twigger (tee, hee.) LOVES the Oktoberfest, just ask her about it! Cil's life long ambition is to be on a closeup commercial. If this raises a question in your mind go to Beta Photos and you will find the answer smiling at you. You never need a radio when Cil's around, she's all the entertainment you need, right Barb? (tee, hee) Cecilia is also a very intelligent young lady who will go far in life and we wish her lots of luck!

MARGARET BIERENS

Margaret can often be seen at her workplace Baskin Robbins, creating ice-cream sensations or by the her pool soaking up the rays. This girl may be a little less than tall but she sure knows how to have great pool parties! She decided to enrich her life (as if it wasn't already enriched!) by leaving CCH a semester early. Life just wasn't the same without you! Margaret plans to go to King's next year and pursue a career in success! Go for it Margaret!

ANDY BLACKWELL

Andy is one of the friendliest guys around, just ask him about his COR experience. Not only does Andy know how to work hard he also knows how to play hard too! So all in all we can say that Andy enjoys COR, long weekends, and life! Enjoy yourself Andy!

DARLENE BLACKWELL

Darlene is another one of those very friendly people, (it must run in the family!) She feels life is to be enjoyed and therefore enjoys making people happy. Darlene will probably take on a career that involves being a year-round humanitarian! Good Luck Darlene!

THERESA BLAKE

Bashful, shy, sweet Theresa owns a carnivore called Pepper. He likes to eat guests. Theresa spends her spare time memorizing Biology memorandum: M.R.S. T.B. can usually be found near T.R. in S.B.C. Good Luck in the future Theresa! Enjoy!

COLETTE BOUTTE

"Cow" (that's a nickname not an insult) was Miss Involved 1985. We credit her with being head of the Prom Committee and Prom Princess, member of the Election Committee and founder of the Rob McGrath Fan Club. Colette and her hubby Trev enjoy cycling and camping in Exeter. Bottie is one of those amazingly charming people whose smile and hug just make your day. Colette thinks you can get drunk faster by drinking beer thru a straw. (some people still believe in the Tooth Fairy, too!) STEP BACK!!

KAREN BROCK

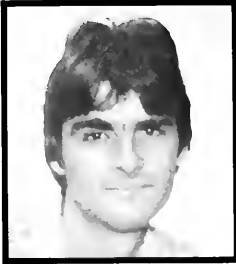

Karen was often seen at CCH but not in class. Karen's favorite pastime was visiting Les, Sandy, and Bob at least once a day. Karen has made quite a name for herself by coming to school out of uniform every day for the past five years! Way to go Karen! "Karebear" enjoys holiday weekends, knocking on doors at 3 in the morning, being assisted by young officers of the law, coming out of uniform (how obvious!) writing very long letters, signing in or out, playing softball and having an all-around good time! Have a great life Karen!

GREG BROCKMAN

General Brockmann as he likes to be referred to could be found in either the EWC drooling over the female population or in the bandroom mastering his tuba. He is admired for his perseverance (i.e. groveling at the S.C. office looking for spare roses.) Gorgi was president of the debating club this year and supreme ruler of the Music Council thanks to his sidekick jig-a-boo. Greg loves poles, has his own 3 D glasses and works for the underground. His future ambition is to be "the richest blood thirsty business man in the world." All in all Greg's friends will always be "truly concerned" for him. Good Luck at UWO General!

ROD BROWNING

Rod is a reserved man with a mature intellect. He has been studying the various life-forms at CCH and concludes that each life-form is of a different plant. (Bet you didn't know that!) His future ambitions include becoming rich and successful. Good Luck Rod!

ROB BULHOES

This man of portuguese descent has spent most of his time (or should I say all of his time) being attached to a certain someone of Italian descent. More than likely Rob and Sonia will tie the knot in the near future or become permanently joined at the hip. Rob has come to be known to many as a very inspiring individual who enjoys a good time (with a woman of course!) Well Rob enjoy yourself and have a great life!

JOANNE BURAGINA

Joanne's life revolves around blue - Blue Peter, Baby Blue, Labatt's Blue. Why do you think she went to C.C.H.? It wasn't the cafeteria food. Her dream is to one day be a permanent star attraction at the Marconi where she will be mobbed by macho Italian men. Good Luck Joanne!

PERRY BUREN

Perry aspires to become the highest paid model for GQ and he's got the haircut for it, too! Perry is involved with COR, soccer and the little woman (and we mean little!) Perry enjoys falling off chairs in Phys. Ed. class and basically tries to be macho. Good Luck next year at Western (or was it Laurentian???)

LOUISA BURGESS

Louisa hates gr. 13 write-ups that say "Louisa was in Orchestra and is an all-round nice girl." So we'll try to avoid that. We will say that Lou was President of the Drama Club and as a result is often called an "artiste" which she also hates. She also hates people thinking she's in gr. 12, not having a club budget, and getting her skirt caught in her locker door (something only an artiste can do). Sounds like this girl hates everything, doesn't it? Actually, Louisa does like her job as a Storybook Minstrel, (unlike most people). Well we hope Louisa makes it as an actress if she doesn't succeed as a brain surgeon.

RICH BURJAW

Rich returned from England specifically to finish his high school career at CCH. He also obtained the job as Social Director (making a name for himself in more ways than one.) Along with being Social Director comes heavy socializing, which Rich managed quite well.

EILEEN BURKE

During the first years of high school instead of Eileen chasing men (?), she enjoyed close encounters with certain pieces of Phys. Ed. apparel. Now she spends her mornings harassing Miss Regan, noon hours catching up on Sociology homework, and at 3 p.m. bumming a ride off the only person that would pity her enough. Have a great life Eileen!

TOM CALETA

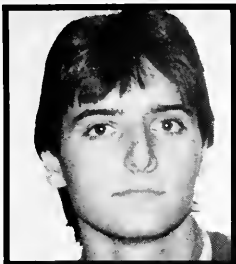

"Yuppie", as Tom was affectionately referred to, joined the hallowed halls of CCH to absorb the Catholic experience. Some of "Gup's" most memorable moments were Gr. 13 Physics, and Mr. Elsie's Algebra class. Tom was accepted into Western, but he doesn't think he will go because his dream has always been to go to Croatia and play professional soccer. We'll always be rooting for you Tom!

PAULA CALZONETTI

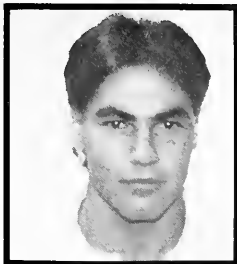

Paula was one of those elusive gr. 13's. She was only here for one semester and even then, she only took one course. She still managed to take up a whole locker space. Needless to say that Paula didn't do much this year except sleep in during second semester. Oh, she also practised her violin for about 20 hrs. a day as she plans to attend the Cleveland Institute of Music next year. Her secret fantasy is to date the Cleveland Indians baseball team. (Go for it!)

GEORDIE CAMPBELL

Geordie just loves the East Wing Dining Lounge so much, he decided to join us for another year. Way to go! Geordie. For a more detailed write-up see either last year's yearbook or just ask Monica. Good Luck Geordie. Have a Great Life!

FRANK CANACARI

"You talking to me?" "Flex" works out in Gold's Gym, and doesn't everyone know it! Frank is a typical Italian, who plays soccer, drives Lamborghinis and spends all lunch hours and spares holding up the West Wing Cafeteria Wall. Frank wants to become a physician or a school janitor. Frank hates being called "Francesco" Buona Fortuna Frank!

SUSIE CARDOSA

Susie is seen but not heard. She may be quiet but she can be a lot of fun. Susie detests crowded halls but loves crowded parties. This sweet girl will probably succeed in whatever she does. Good Luck in the future and keep on smiling!

JAMES CARPENTER

One of the resident grade 14's who just came back to tell us he DID open up a chain of pizzeria joints in Africa. (See last year's Y.B.) "Cunningham" has also started another business of selling Little Black Books which he has worked on during his stay in Africa. Get yours now! They're going fast. Enjoy yourself Jim. We'll look you up if we're ever in the mood for pizza!

TERENCE CHAN

This man of many talents (and we mean many!) is one of the few people who actually contributed to the existence of this Yearbook. Not only is Terence an excellent photographer, he's a great guy and a super friend. Terence is also an absolute genius who knows where it's at and is going places. Thanks for everything Terence and have a great time at Western next year!!

VINCE CHRISTIAANS

Vince was once mono-brow as a result of self-affliction. He runs the plumbing for the hockey team. Vinnie is sort of quiet but he is uniquely qualified to bring you the world (3D). Vince hopes to become the next coach of the New York Yankees. Good Luck Vince

MARK CHWIECKO

Mark is one of your year-round headbangers. He has been dedicated to heavy metal since the age of five and has kept his taste in music alive and thriving during his years at C.C. High. He can often be seen with Rich, another heavy rocker. Mark will probably go on to become a music critic specializing in heavy metal only. We know he'll be great at it because he knows the difference between GOOD and BAD "heavy metal". (don't we all?!) Keep on rockin' Mark!

CHRIS CLIFFORD

Chris is a movie star, starring in such movies as "attack of the onions" and "english assignments - group D." Chris loves Mr. O'Connor. He thinks he's a real dilly (So do I, Chris - R.M.). All I can say is get your brother to pull you out of this casket. Take it easy Chris and enjoy yourself!

LISA CLIFFORD

Lisa is one of those individualistic Grade 13's. She has many endearing qualities that were made apparent in Mr. Myer's Biology Class and Mr. Stranges Calculus class. Lisa wants to go into Medicine at Western but more than likely she will marry Prince Andrew and overthrow Prince Charles as the next King. Alright Lisa!

STEPHEN CORKE

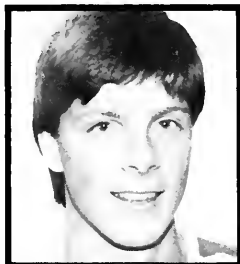

Some people think Steve is insane. Others know he is insane. Steve like Tim Ryan, enjoys painting. He also enjoys trips to Toronto and jumping the subway tracks. Well now he knows that last call at the subway station. Thanx Steve!! (Is this supposed to make sense?) Steve will always be remembered for coming to the prom wearing the same thing his date was. Well. Have a Great Life, Steve

DAN COSTELLO

Dan is an interesting character in that he is able to bail himself out of any situation by argumentation; just look at the number of times he managed to convince school faculty that the reason he wasn't in class was because of a lack of in-uniform shirts. Sure Dan! We love you anyway. Dan plans to become a debater of anything as well as an officer of the law! Good Luck either way Dan!

GERRY CRANDLES

The founder of Grizzly Weekend! Cruncher was on the mean Football Squad this year but suffered from Draft Withdrawal many a game. Gerry's hobbies are roasting weenies at Gibbons, rescuing victims in burning bathrooms on his hands and knees, evading officers of the law behind the Esquire. "LMWIS?" (whatever that means?!). - Good Luck anyways Gerry!

KAREN CRAWFORD

You could always find Karen if you needed her because she really stuck out out in a crowd, standing 6 ft. tall. She hopes to become an airline stewardess, but will probably be seen on the cover of a 1986 Vogue. Good Luck Karen!

JAMES CUMMINS

James is most reknown for eating beer cans at parties an for his "No, You", when Mr. Meyers said "Why don't you stick your head in sulfuric acid". James is most likely to meet God . . . before he dies.

KIM CRAWFORD

What can we say about Kim? Well Kim is one of those elite group of grade 13's that refused to fill out a survey. We assume she has a very good reason for it so we won't hold it against her. Instead we'll say that Kim is a super gal who knows what she wants and doesn't quit until she gets it. (This is another assumption we hope we're correct in assuming!) Well enjoy whatever it is you enjoy and good luck in whatever it is you decide to do Kim!

TINA CURRADO

Tina is one of those wild and exciting gr. 13 girls. She found gr. 13 English to be a very stimulating form of therapy. Tina enjoys nights out on the town, designer clothing and relaxatio. Tina will probably become either a hostess, a fashion designer or a model. Good Luck Tina!

PAUL DAVIS

Paul is another gr. 13 who found English to be a very stimulating form of therapy. Paul enjoys partying, avoiding class, taking life easy and being an all-around great guy! Paul plans to succeed in whatever he decides to do. Have a great life Paul!

TRACY DEBOER

Trace hails from that wild town of LUCAN, where she runs the Becker's store on the main drag (a great spot to stop at on your way home from the Bend.) Tracey's favorite hangouts are the Bay Tav and Mr. Subs. She plans on going into nursing -- so if you plan on getting sick, beware of her hospital!! Tracey loves sailing (in and out of bars and up to Tobermory.) Her claim to fame is her dancing, which has been incorporated on Solid Gold. Way to go, Tracey!!

LISA DE JONG

This sweet, fun to be with girl knows how to make friends with anyone. She can often be seen joking around with her best buddy Meg or just listening to Meg's jokes. Lisa will probably be great at whatever she wants to do beause of her cheery outlook on everything. Obviously Lisa is another one of our gr. 13 humanitarians who knows how to make people happy. Enjoy yourself at King's Lise!

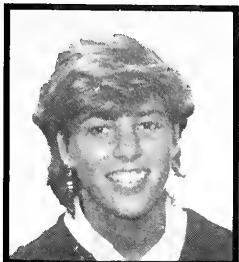

DIANA DE ROND

"T.T." LOVES bowling (no kidding!!). Diana is a member of the London Bowling League. If her career as a pro bowler never takes off, Diane is willing to accept a position as the Surgeon General. Di hates when people wear leg warmers in hot weather. "Yes but you can do it in South America?"

LISA DE RUITER

Lisa was our very own Prom Queen this year, but she's no ditsy broad! "Tuna", as she is referred to in certain circles, is very active in theatre, she played a nurse in the school show once. Lisa's other involvements include basketball, head of the election committee, and safety patrol. She also provides community services such as the drum roller on the CCH Lottery show, and shopping exclusively at Goodwill. Lisa is basically a very sweet girl. We wish her luck next year at King's College.

COLLEEN DELANEY

Colleen could be the youngest of the Brady Bunch, but we won't insult her that way! Colleen enjoyed having braces for 4 of the 5 yrs. she was at CCH and then when she got them off, no one noticed!! Delaney likes period C English because she never goes there. When not being carried over strange men's shoulders she makes burgers at the King. Co. is most likely to teach the fine art of partying and socializing. (Two more of her best hobbies!) To top it off, though, Colleen will probably be remembered as a MAT 351 whiz.

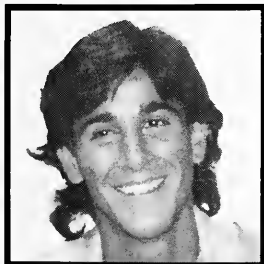

RON DESERRANNO

Ron will probably work for the government whether it be through the military or as premier of Ontario. Ron enjoys the army life, going out with Erica, short haircuts and working long hours. When does he have time for such fun courses as Algebra and Functions? (which he manages to ace anyways!) This amazing guy can tackle just about any problem big or small and plans to succeed in whatever future endeavour he decides to take on. Good Luck Ron!

BARRIE DEVEBER

Barrie loves women, parties and music, (not necessarily in that order). His most memorable class at C.C. High was Mr. Stranges Calculus class, even though it was during period E. Barrie plans to become a famous drum player or a calculus teacher, whichever comes first. But more than likely he will retire early and enjoy the best things in life. Have fun Barrie!

ANDY DEVITO

Andy is our flower child from the 60's, and we figure he'll be the Yuppie of the 90's. Future endeavors include hosting the Phil Donahue show, with Andy's favorite teachers, Father T. and Mr. Stranges as his guests. Yes, Andy's a REBEL in the true sense of the word. Good luck, you commie!

NADINE DICKIE

When you think of Nadine, think of Mike. When you think of Mike you think of the CCH basketball team. When you think of Mike and Nadine - think of the CCH parking lot, the CCH east wing gym, CCH behind the portables, CCH locker 1123 . . . This classy lady enjoys cheerleading, going out with Mike (obviously!) and getting the most out of life. Enjoy, Nadine!

RICH DINON

This year Rich won the award for best look alike of a gorilla (no offence, Rich). Richard has been very active in sports throughout his career at CCH, including basketball, volleyball, badminton, harassing Father T. and putting up with Don's stupid jokes. His future goal in life is to be "just like Mr. Curgin." Next year, Rich hopes to meet up with some real women and keep Don out of his life. One last note - Rich HATES being called "Rick".

CATHERINE DONOHUE

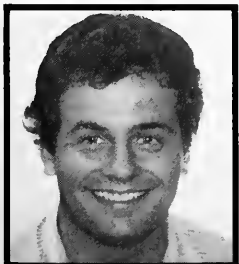

Catherine has spent the past five years enjoying the ease of Academic Talent. Cath really "digs" her summers, and hopes to make it through Western alive with a Ph. D., or live happily ever after with some Yuppie.

MARK DRABICK

Mark is the last of the little Drabicks to attend this institution, next year his mommy will be all alone! Drabs is a genuine sex symbol, with his beach-blonde hair and his Grand Bend tan. Mark is destined to be a Sigma Nu man at UWV next year - he's got all the clothes for it. Drabs, alias Michael Charmichael, our local beach bum, enjoys his spring breaks in Florida except when he's robbed. Mark plans to spend all his money travelling the world (maybe he would like some company!) Markie loves the Blue Jays, CDR, homemade wine, bank tellers and New York City.

KELLY DOYLE

Kelly is one of those people who actually appreciates cafeteria food. She knows how to have a good time and enjoys observing the male species at CCH. Her plans include writing a book about her experiences at C.C. High or directing a movie using the same story line. Until then we'll just have to settle for the Crusader handbook and Catholic Education Commercials. Hope you become a smashing success at whatever you really decide to do!

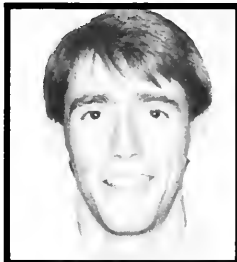

ANGELO D'ULISSE

Angelo's favourite activity is soccer. He is so involved in the sport that this past summer he went away to Italy to try and make it in the world of pro soccer. But I guess the pros just weren't ready for this skilled athlete or Angelo but wasn't ready for the pros. Either way this next school year will probably find Angelo at some prestigious university fighting off the love-starved women. Way to go Angelo!

DARLENE DUNN

Beanie as she is most affectionately referred to, loves to go to Pickles for her favourite food, electric jello. Weenie (also her nickname) took an Introductory Psychology Course and her case study was Norman Bates. Beanie or Weenie loves to dodge flying glass in WPO. Beanie wants her jean jacket to be put in the CCH Hall of Fame which shall have purple walls. Allright Darlene!

RON ELLIS

Little did Ron know of the hassles that he would encounter during the year as Prez. It all started when his mother refused to buy him shoes to match his wardrobe. After all, nothing goes with purple. Ron won a lot of awards this year. Rumour has it that his mother is on the awards committee, and she wanted to earn Ron's forgiveness over the shoe ordeal. We don't care what everybody else says, Ron, we still love you. (We'll even vote for you if you decide to become Prime Minister of Canada!) Well Ellis, Best of Luck at whatever you do!

TRACY EYDT

Tracy is one of your sweet, bubbly, allround carefree girls. She enjoys taking life easy, relaxing by the pool and shopping. Tracy was inspired by Mr. O'Connor's Religion class and plans to have many children of her own. We could also say that Tracy's presence also proved to be an inspiration to many, especially the male sector. Well until she meets Mr. Right Tracy will probably become a cosmetician, a hair-stylist or a combination of the two. Good Luck Tracy!

TAMAR FACCHIN

This "Facchin-able" woman was an integral part of our City Championship Soccer Team and is destined for a career in Phys Ed. (There's always Marvel Beauty School too!) Tamara LOVES Florida but is distressed by the exchange rate on Canadian money. (aren't we all?) Best of luck, "Shirley".

SUSAN FEKETE

Susan absolutely adores panzorottis, Strawberry Daquiries and muffins (without raisins!) "No way!" Yes, and even banana splits!! "You've got to be kidding." Susan plans to attend Western next year for nursing and hopes to change the nursing uniform to mauve. Good Luck Susan. "Don't Litter!"

EILEEN FENERY

During the day, Eileen can be found copying out her brother's Calculus and Chemistry homework (sorry Eileen, it was bound to get out sooner or later). At night, she enjoys the sights and sounds of some London parties, then makes it back just in time for her first class. Eileen's destiny includes becoming CCH's own "Mad Scientist".

MARIE FERNANDES

One of Marie's least forgettable moments during her high school yrs. was when she walked into a Mac-Donald's and asked for a free smile. When asked about her origins Marie will smile philosophically and say that she is a child of the world. We could also say that Marie is a well-rooted person, (meaning one of many roots). Seriously though Marie is a people's person and will always be remembered as one of the friendliest people that ever went to CCH. Marie enjoys ties, her brother's clothes and her poster of Bjorn Borg. Good Luck in the future, dude!

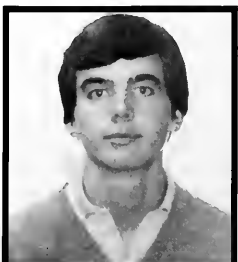

MARIO FIORINO

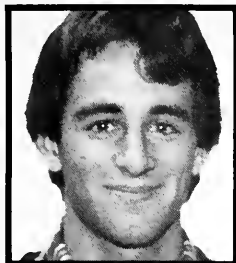

Mario is another one of your super-nice gr. 13 guys. Mario enjoys deep intellectual conversations, that's probably why he liked Mr. Rupers Economics class so much. This man also knows how to enjoy life and plans to do so for a very long time. Allright Mario!

PAUL FITZMAURICE

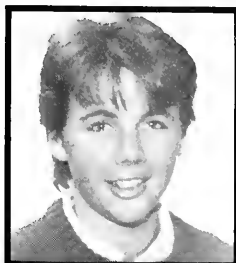

Fitz spent his first three years of high school at the snobbiest school in London, South Collegiate. Then he saw the light and transferred to the cliquiest school in London, CCH. Fitz was Healy's sidekick this year, and the inspiration behind the radicals.

JOHN FOSLETT

John is a very sporty guy. He enjoys playing or watching almost any sport, but his favourite is hockey. Grade 13 proved to be very exciting for this individual. Not only did he learn how to avoid crowded halls he also discovered how to stretch a dollar (something all of us wish we could do!) John's plans include becoming a multi-millionaire or something of equal status. Go for it John!

LISA FLYNN

Lisa may appear to be quiet and angelic, but underneath that facade there lies a vicious parter! Flynn spent most of her high school life playing B-ball and V-ball, and how!! Lisa enjoys seeing Jeff Young in his kil. Her biggest pet peeve is having the name Lisa called and it's not for you! Have a nice life, Lisa baby, and stay away from N.Y.C.!!

SHARON FRANCIS

Sharon's past four years (Gr. 9 she was in Peterborough) have been spent smiling at people and cheering everyone up. Could this cheerful enthusiasm have been influenced by Mr. Sbrizzi's homemade juice or is she just always naturally that way? Sharon enjoys CDR and life! Good Luck Sharon!

CHRISTINE FREW

Chris has incredible red hair. She likes her hair. She also likes horses (We are not sure if these two pieces of information are related though). Chris left us early this year to reflect about life, horses, Father Thompson's classes and the need for radical change within this society. Good Luck Christine!

MANUELA FRIAS

We could say that Manuela is the shorter half of Manuela and Perry or we could say that she's very attached to some tall blond guy, but we won't. Instead we'll say that Manuela is one of the cutest, sweetest people around. She enjoys being Portuguese, having fun and of course spending time with Perry. This girl plans to live life to the fullest! Alright Manuela! Good Luck in whatever endeavor you decide to take on.

DON FULLER

Don enjoys wrestling, using his hands and being creative. But he especially enjoys party weekends. Kavalade is his all-time favorite. Don particularly likes being seen with members of the opposite sex, posing for pictures and winning (at anything!) Alright Don!

NADIA GAMMAL

"Gammer", one of the few Gr. 13's who had 4 classes last semester. (She even had period E!) The worst, eh Nads! Nadia is a very hardworking girl and is great to party with. She'll go a long way in life with her intelligence; she hopes to be a doctor some day. Nads is an easy going gal who just takes it one day at a time. Best of luck, Nads.

CARMINE GARGARELLA

Carmine works full-time on weekends pumping gas. Carm is a man of many nicknames: Carmagello, Ragoo, Weezer, Carmadillo, etc. Carm is also a man of many haircuts, sporting a new one almost every six months. Maybe he'll be a hair stylist.

TOM GERGELY

Tom likes to travel, just ask him, he's been everywhere! Tom likes renting his apt. out when he's gone. He sports nice door decorations (mayonnaise incl.) Future endeavours include a cure for "Spiral Head" and writing a book called "Travel europe on a camel with Sue and a credit card".

ANNARITA GHELLER

Grade 13 has proved to be one fun, great, wild, learning experience for A.R. This Ontario Scholar had all her dreams come back next year just to teach the Gr. 11 Family Studies Course. But more than likely this Italian girl will study Science (any kind!) as she plans to follow in her kind! Mr. Willie O'Donnel's footsteps "Neato guedo" Congrats and Good Luck in the future Annarita!

DAN GILLEN

Dan enjoys being unique, getting high on life, being a lady's man, and having a great time. He'll participate in almost any activity as long as it's fun. Alright Dan! Dan's plans include becoming a professional student or a permanent partner!

JASON GILLOOLY

Most of Jason's survey was far too vicious and anemic for us to print, but we did learn that he is a card carrying member of the I.R.A. (see Deidre Rowland). For a good time Jason drinks Molative cocktails and designs interesting T-shirts. Get the British out of Ireland! Obviously "Beez Wat's" pet peeves are the Queen of England and Margaret Thatcher.

MARTHA GLEASON

Martha enjoys fun in the sun, Economics, the colour orange, free lance hair die and going places with Olivia. She can usually be found in the West Wing Cafeteria avoiding class but her favourite hang-out is Toys 'R' Us where she has tried to figure out how to operate the "He" Man Robots on her spare time (which she seems to have plenty of!) Grade 13 will always be remembered as one of the best for this girl, since she had such a great time just enjoying life!

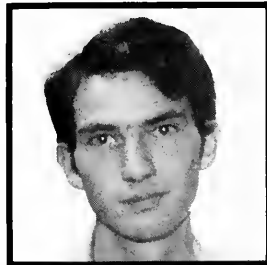

ED GLEN

Ed is one of the most talented, cutest, adorable people we know. Need we say more? Well we will. Ed knows how to entertain any audience by doing almost anything, singing, dancing, acting . . . you name it he can do it! Ed will always be remembered for his various roles in school plays, his many performances with the "Stylist", being a great host (hint: New Year's eve!), his ability to make people laugh (a quality we all love and admire) and his super personality. We wish you fame and fortune Ed because we know you'll be a star in whatever you do!

MEREDITH GRANDY

"Mercedes" has une grande passion pour les hommes francais. "Mini-Mimi" is one of the shortest specimens at CCH but is never overlooked. She enjoys "drinking rocket fuel at Medway" and hanging around the Student Council Office. "Life's a Party!" Mimi detests all the jokers that sing "Mimi on the beach." When Mimi grows up she wants to be alive.

PETER GREY

While in Venezuela, British Peter learned the expression "or something of equal stupidity". Mr. Grey, a reknowned "mathy" enjoys eating pizza while studying for Functions in the chapel. Petey wants to change the guy's uniform to dark blue and only dark blue. What a forgetful guy! One of Pete's pet peeves is being asked if he's in love with Rachelle Renner. All in all Gr. 13 has been confusing but a great experience for this guy. Have a great life Peter. Enjoy!

MICHELLE HACHEY

"By the way, you look Marvellous" Hach is CCH's all-time TV fanatic. While other people read "War and Peace", Michelle reads TV Guide. She often "defied" Father T. this year, and enjoyed it immensely. Mish is a devoted sports fan and wishes to become the Team physician for the Leafs! She enjoys typing class because it enables her to catch up on her sleep. (all that partying at the Four Seasons, eh?) Good Luck and remember "Cancer can be beaten!"

CATHERINE HAGGARTY

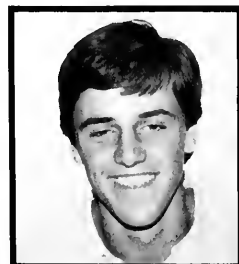

Cath is not your basic, quiet, unassuming student. She is what makes life exciting. She enjoys "chatting" with the school administration, going to summer bashes, laying in the sun and cooling off afterwards. What a girl! Keep on enjoying Catherine!

TIM HALLS

Tim came to CCH to carry on the Halls tradition and that is showing people what life is all about. (as if we didn't know?) Tim enjoys meeting people (preferably female), being a bachelor, and getting the most out of life. Tim is just full of profound statements and will probably become a philosopher. He leaves us with the thought that life is to be lived! We couldn't agree with you more Tim!

JANET HARDING

Janet who? Where is Janet? We have recently been informed that Janet was kidnapped some time in October '84 from Room 303. She was a part-time student at CCH as well as a temporary co-editor. She will always be remembered for all her appearances at those Y.B. meetings! Janet enjoys working at St. John Ambulance, being a dental assistant and going out with Missy. She plans to become a nurse (something she certainly has the experience for!) Good Luck Janet and Have a Great Life! (Party, Hardy!)

DEAN HARRISON

Dean can usually be seen jammin' with the boys in the dark Gibson green! Playin' guitar deep in the park complete with supplies and a fire. Dean sings "gatherin' round the fire havin' a grizzly feast have a mother now have a priest". (Does this make sense to you?) Well anyways have a great time doing whatever it is you like to do and keep up the excellent piano playing!

TIBOR HATTAYEAR

So what can we say about Tibor? Well he does have a somewhat unusual first name which probably fits his somewhat unique personality. (this should be taken as a compliment). Tibor is one of those people who enjoys what's not always good for him. Economics was probably one of his favourite classes since he enjoyed providing such stimulating comments. Therefore Tibor will probably go on to become a famous Economist or a Psychologist. Good Luck Tibor!

MARTIN HEALY

Healy or Swahealy as he is commonly known, plans to become the chief pastor of St. Martin's Church (I bet Martin didn't even know that!) This man of Irish descent enjoys all-nighters, the color green, Drama, Student Council meetings (when he is filling in for the Prez) and of course being Irish, right Marty?! Martin is so Irish he makes everyone else wish they were Irish too! Martin also enjoyed being Vice-Prez. this year, an experience he'll never forget! Healy has done a great job keeping the Spirit Alive at CCH and will probably continue to spread plenty of "cheer" wherever he goes. Have a great life Martin!

DON HEWEY

Don is the closest thing at CCH to Kareem Abdul Jabbar. Hewey loves sports, but his calling in life is his woman Debbie. "Where's Deb?" Don practically lives at Deb's house and in her locker. Don describes himself as a "mixed breed." (??) He loves Father Thompson and wants to grow up to be just like "the Padre". But where does that leave Debbie?

JENNIFER HOWATSON

Jen enjoys being anywhere as long as it isn't CCH, where she is most often heard saying "What is this crap?" (such a versatile statement!) This cute, little, Scottish redhead, learned many things this year that she couldn't discuss with us (use your imagination) but she did tell us that the Grade 13 experience has left her speechless. From her survey we gathered that she either knows Greg Brockmann very well or just enjoys writing his name, (you figure it out!) Jen's pet peeve is Band but she loves music and plans to put her talents to good use by becoming a music teacher. Good Luck Jennifer!

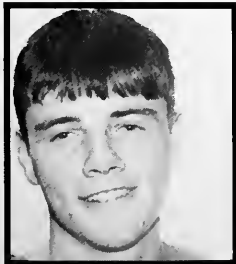

ANGELINA IANNALICE

Angelina has made quite a name for herself at CCH. This year, she was voted best female dresser, and most likely to change her last name. Ange is one of those quiet people who occasionally shock teachers with their profound statements. The yearbook staff votes Angelina as most likely to open up her own Mail in London, with exclusive Italian designer fashions in creme and mauve colors Buona Fortuna Angelina!

MIKE JACONELLI

Mike enjoys being overly friendly and treating people like human beings. Mike feels life is made up of year-round parties and therefore was given to be enjoyed. He will always be remembered for all his help at assemblies, dances, etc. Mike also enjoys matching sweatshirts, short haircuts, and Friday nights. Keep on enjoying Mike!

TED JASICA

"Telly" as he is commonly referred to hates the Boston Bruins and is always found saying his famous line "Go-Habs-Go!" in the school cafeteria. Ted is one of CCH's super nice guys and his future goal is to become the "Leaf's official hockey stick taper". Sounds like fun! Enjoy yourself at U.W.O, Ted!

STELLA KANG

Stella is one of those very sweet people that everyone enjoys having as a friend. Grade 13 has been somewhat different, as well as somewhat exciting and probably one of the most memorable at CCH for this gal. Stella's motto is live, love and laugh. What a great motto! Best of luck in the future Stella!

ANDREW KASZA

Holy Man, what am I going to say about Andrew? Well, I could go on about Andrew's OUTGOING personality, or his driving skills (??) I could mention how Andy's vocal involvement makes classes so much more interesting, or list all the rude comments he made in biology, OR tell you that he was the first male secretary on the S.C. Spaza's dancing techniques could be immortalized in this writeup, but rather than babble on, I'd just like to mention that Andrew is a real sweetie (who else would give up their weekends to coach youngsters in the fine art of wrestling?) and he throws a MEAN post prom party! Thank Andy, for making our years at CCH so memorable!!

DONNA KAY

Donna is our resident JOCK. "Special K" was an outstanding member of our Basketball, Volleyball, Badminton and Track teams. She also chatted with Mr. Dakin during Per C. lunch, and held down the fort at the Phys. Ed. office with her good friend Sue Regan. In fact, Donna practically lived there, and in the future, look for her to take over Mike Tucker's job. Best Wishes, Donna.

GRAHAM KEEP

Graham just ADDRED gr. 13 French this year. But when Graham isn't enjoying himself conjugating verbs, you can usually find him practising his cello or piano or organ or percussion or harmonica (which he won't admit he plays but secretly does.) If you're ever lucky enough to have Graham in one of your post-secondary classes don't sit near him because between his snoring and his jokes (knock, knock), you'll never get anything done. Best of Luck, Graham

SEAN KELLY

Kelly's pet peeve in life is Irish people. (but aren't you Irish Sean??) Once a year, every year he is found harassing anyone in the cafeteria with - "Are you going to the Air Show?" If he doesn't fulfill his goal in life, which is to become an air plane pilot he'll settle for the stewardess. Isn't that nice! Have fun, Sean!!

STEPHANIE KELLY

Stephanie got a lot out of Grade 13 but for one reason or another can't exactly remember what it was, (must've been good!) Stephanie enjoys doing well academically, camping out, and conversing in the pit. This gal will probably go far in life with her outgoing personality, charm and charisma. Good Luck Steph!

CHRIS KENNEY

Chris thoroughly enjoyed grade 13 and hopes next year is just as good if not better. Chris enjoys modelling Bootlegger fashions, having a great weekend, and doing well in Calculus without studying. Good Luck in whatever future endeavour you decide to take on Chris and take it easy on those great weekends!!

GABE LEE

Gabe, our resident Ralph Lauren supplier, all the way from Hong Kong, decided that he liked CCH so much he tried it for one more year. To many at CCH life without Gabe is unimaginable (or so he thinks!) But seriously folks Gabe's favourite activity this year, since school was not a top priority (right Gabe?) was hanging out at the Red Lion Inn learning about the Canadian ways. Nice to hear you made it to U.W.O. We knew you would! Good Luck Gabe!

CATHERINE LEGGE

Catherine is one of many Legges who have attended C.C. High, and in Legge tradition, she has been one of the outstanding members of the Thirteen class. Accomplishments include Prom Princess, Election committee and rowing. This pretty blonde enjoys Midnight boat excursions, dancing on tables and the Equestrian Sport, especially the riding habit, (even if she can't decide whether or not to wear her boots with shorts or pants. Looking good, honey!) "Leggo", aspires to become a teacher, or world famous as a travel agent. Cathy hates being called "Cathy". "Welcome to Miller Time! Good Luck Cath!"

CASEY LEICHT

K.C. always manages to smile, even when Algebra, Physics and Chemistry give her too much homework. Case works at a vet's and loves to ride horses. This may explain her tendency to eat hay so she can stay thin. Casey is great with animals so she'll probably become a vet or marry one. When asked who the tallest gr. 13 is, Casey answers "I'm too short to see that high." Enjoy yourself at Guelph Casey!

LISA LESSARD

Lise is one of those happy-go-lucky people who does great at whatever she does. She enjoys life and what it's all about. She plans to become a very successful liberated woman. Alright Lisa! Keep on enjoying!

GREG LONC

Lonc had a great five years at CCH excelling in sports, partying on weekends, going to class whenever, and being a beach bum. Greg's plans include becoming a professional basketball player or a company president, either way he wants to make lots of money. Hope you find the fortune you're looking for Greg!

LORI LUNDY

Lori has only one thing on her mind these days and that's her fiance John. Ever since they met they have been inseperable and she claims that it was love at first sight! We can only predict that soon Lori will be a mother and that Lori, John and the little ones will be able to enjoy each other's company at the army base! Best of Luck Lori!

MICHELLE LYONS

Mo the cute, inspiring, bar wandering, business adventurist, future endeavors include a chain of hotel parties complete with a crash course in five finger discount at the Bavarian, Cottage bandaidd beachball, Richmond Row romping with Lisa and an occasional weekend with B.R. and CREE CREE! Have fun Michelle!

KATHRYN MACDONALD

Kathryn vouches that the language most spoken in her family is English. I don't know, we won't mention the fact that she was rooting for the Russians during the Canada Cup. Her pet peeve is people who kiss in the halls between classes. Why don't you take some of your own advice Kath? Kath plans to be the first designer dental assistant with a constant supply of pink chocolate uniforms with Diet Coke labels all over. We love ya, Kath! Have a great life!

DIANE MACEACHERN

"Dude" can often be seen livin' it up wherever she goes. She enjoys parties, taking it easy and of course conversing in the pit (probably with Stephanie). Diane knows how to get the most out of life and plans to keep on doing it in the future. Have a great life Diane!

PAUL MACKINNON

Paul is one of those guys who just couldn't bear to leave CCH so he decided to come back for one more year. I'm sure it was worth it, eh Paul? Paul has made jaywalking a famous sport and continues to take risks by participating in this daring activity, (it must be his red hair). Obviously Paul is one of those exciting guys that every girl wants to get to know better, (once again it must be his red hair!) Paul enjoys any evening with a Schooner and a Pizza. Good Luck next year!

MELISSA MACLEAN

Melissa became famous this year when she won the Ernie McTavish Nominee Award. Melissa will be remembered for her work in the Peace and Development Club, "Nuke CCH" and her Knight rider articles. We know Melissa will become a success in whatever she does 'cause she's got Ms. Marcotte on her side. Have fun in Europe and stay away from Loud British punkers, (like Gerald McGoldrick). We'll always remember Prom night at the terrorist's house, (see Lara N) Good Luck Melissa!

LYNDA MAHAR

Lynda has always been looking for something more at CCH and didn't find it until this year. That something more was the Grade 13 experience. Something no highschool career is complete without. Not only did she have a great time living out this experience she plans to include it in her autobiography or better yet become a gr. 13 teacher to see what the experience is like from the other side. Enjoy yourself in whatever you take on Lynda!

QUENTIN MAI

Here is a guy who feels partying should be made a top priority (next to academics of course!) Quentin feels CCH has shown him a lot about life especially Gr. 13 Religion. Quentin enjoys watching people eat beer cans, going on vacation, playing football, and doing homework? All in all Quentin has enjoyed his years at CCH and looks forward to even bigger and better things in the future! Good Luck Quentin!

PAT MALANDRA

Pat loves early morning Orchestra practices but can't stand waking up for them. Pat has found her years at CC High to be an education extravaganza, (whatever that means?) Obviously she learned something this year and had a great time doing it too. She plans to live an extravagant time at whatever educational institution she takes on. Alright Pat!

ANNA MARIA MAMMARELLA

This Dutch-Italian gal can often be seen spending time on their farm and therefore will probably become a rancher or a vet, because she loves the outdoors and adores animals. Anna also loves pasta, the country (obviously), the colors mauve and blue (this girl has taste!) and lending a helping hand (Thanks Anna!) Anna is a very intelligent, level-headed woman and will delintely go far in whatever endeavor she takes on. Best of Luck Anna!!

SUE MANIAGO

Susie, our Irish-looking Italian, almost won our votes for Best Dressed Female of 1985. However, desert boots with the kilt are a definite no-no! Sue was active in sports at CCH and was one of the FAMOUS Knight rider Sports Editors. "Red" plans to bike around Europe next year, meet a fabulously rich Prince, and live happily ever after. Until then, she'll settle for hanging around London, keeping all the D.J.'s happy with her list of favourite songs. Ciao, Susie!

LORRAINE MANNERS

Lorraine came to our beloved school naive, innocent, shy, unaware of reality and possibly socially outcasted. But now in all honesty Lorraine is able to throw a great tree-decorating party! (with a 40-foot tree! - which seemed to have saved her reputation.) Lorraine departs from CCH as the person most likely to blow away on a windy day. She leaves CCH filled with knowledge, new experiences, vitality, a new haircut and Rich. Enjoy yourself Lorraine!

HELEN MARTIN

Ever since Helen came from the Mount in Gr. 12 she has been able to throw a mean party! (just like her friend Lorraine.) Helen's favourite attire consists of shaving cream courtesy of Gregg Messner. She enjoys shopping for expensive clothes and going to beach parties. Have a great life Helen and take it easy on the cream!

PAUL MARTIN

A man of few words and many wardrobes, Paul's into coloured exchangeable body parts. Simon and Gar., The Boss, and rain. His future endeavors include paying off his debts and becoming an officer of the Law. May the force always be with you Paul!

ANNA MASTROGIUSEPPE

Anna was voted most likely to change her last name, (we can see why!) Well until she gets married she plans to travel the world and do as many new and exciting things as she possibly can before she settles down to have children. Obviously this girl knows what she's doing and will probably have a great time doing it. Best Wishes for a terrific future Anna!

LOUISA MARZIALI

"Squeeze", loves University men and the Bend. You can see her almost any nice summer's day soaking up the rays. But do you go to Saunders to cool off afterwards? How old are you anyway? If you ever need a good listener she's the one your looking for. This great gal is lots of fun too, just ask her about her past cottage experiences. You'll find Squeeze has a very unusual vocabulary, but it will always keep you laughing. "Gongo loves you." Good Luck cheerleading for the Dallas Cowboys Louisa!

ANNIE MATTON

Annie comes from a Belgian background and as a result is able to speak French fluently. She loves the colors burgundy and mauve (another girl with great taste!) and absolutely adores Funk music! Her favourite saying is what's happening which she uses often at the many clubs she enjoys partying at. Annie has the ability to brighten up any conversation with her cute humour and cheery laughter. Bonne Chance in whatever the future holds for you Annie. Keep on Smiling!!

ROBERTA MAZZARIOL

Roberta loves C.C. High so much that she transferred to R.M.C. for the second semester. Roberta claims that her best times at CCH were when she wasn't there. Roberta could be seen every day after period B leaving or rather running from school! She claims that the excitement and stimulation she received from her morning classes was so intense that she just couldn't handle the school or the people anymore. Well good luck wherever you are Bobby!

JOSEPH MAZZOTA

"Snail", as he is usually referred to is usually found sunning himself by the West Wing Caf. windows. The big thing that Joe learned this year is that whale blubber is good chewing gum. (Whatever you say Joe!) Joe's future goal is to become a brick layer. Best of Luck Joe!

JIM MCAULIFFE

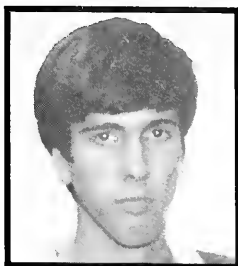

Jim is often seen having a great time whenever, wherever. Jim finds the education system to be somewhat unrealistic at times but enjoys it anyways. His goal in life is simple to have a great time (we would have never guessed!) Good Luck Jim!

BOB MCCARVELL

Bob enjoys fun in the sun, women, and Valentine's Day! He is one of the more "friendlier" guys at CCH who feels everyone should be as open-minded and direct as he is. He is amused by homework and people who sit in other people's laps (we won't mention any names.) Thanks for being such a nice guy Bob. Have a great life!!

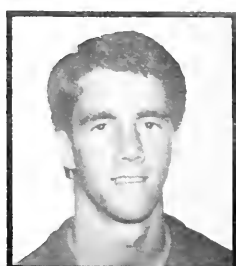

BILL MCCARVELL

"Hey, Spill". Billy is one of our more ambitious grade 14's, as he is currently employed in about six jobs. When does he attend classes or do homework? We wonder! Bill spends most of his time sleeping in Calculus, and our sources tell us that he is Mrs. Collett's favorite student. Maybe he just has good connections. Bill is one we can call a friend!

ROBERTA MCCLELLAND

Roberta is one of our spiritually enlightened grade thirteens who can be very outspoken when a moral issue is being discussed. Since Roberta is such a sweet and caring person she will probably be a big success in the field of Social Work. Good Luck at King's!!

ROSS MCCREDIE

"Speedie" as in "Speedie McCredie" is Irish and is interested in many different kinds of sports. (indoor and outdoor!) Another topic of interest to Ross is bachelor living. Speedie enjoys the good life and will probably continue to live it up in the future. Allright Ross!

LAURA McDONALD

Laura, our very own loveable blonde loves CCH. Her most memorable moment was coming back from Mexico and showing off her gorgeous tan! This sun worshipper had such a great time in Mexico that she hopes to someday own her very own Mexican tanning booth so that she can show off her tan anytime. Enjoy Laura!

GERALD MCGOLDRICK

"Nick", as Gerald is known in the punk rock underworld, is one totally "facetious" character "Repo" finished school in January and spent most of first semester pumping iron and in jesting harmful steroids (Right Meg?) This slam-dancing sensation enjoys trivial pursuit and wearing "off mauve pastel" colored clothing. He's never had a pet peeve but he did have a pet hamster once. Gerald's chic dance movements entertained everyone on CDR 37. We won't be boring and say "Good Luck Gerald", how about "Go play in traffic."

JOHN MCGOWAN

This quiet yet loud individual made the most of his high school years, after all high school is a once in a life time experience! (at least for most of us it is). Anyways after making the most of it John regrets leaving but looks forward to fulfilling his future plans (unfortunately we don't know what they are!) John feels life is full of meanings so we assume his future goal is to discover as many of them as possible. Have fun John!

ROB MCGRATH

Rob belonged to everything this year. To name some: Prom Committee, Election Committee, Football Team, etc., etc., etc. Rob believes that if not for him, CCH would be a cultural, if not intellectual wasteland. Anyone wishing to discuss this with Rob may look him up in the phone book, he's always open to suggestions. Rob is one of those handsome parliers that not only loves writing crazy write-ups, he enjoys losing them too! Thanks Rob! (must have something to do with his motto love 'em and leave 'em.) So as not to end off this write-up in bad taste we will say that Rob enjoys long weekends. COR and life! Keep on enjoying Rob!

DOUG MCLEOD

Doug believes that there is life after OD's grade 13 Chemistry class and to prove this, he has left the pit to experience it! "Dan" is one of those proud Can-Americans who walks around saying "Meharababa" (transl. don't worry, be happy). Doug also expects life to be more enthralling than Calculus. Should we ask? His big goal in life is to become the official taste tester for Jack Daniel's distillery. Good Luck Doug!

JACKIE MCMANUS

Jackie is one of your famous Mac Donald's employees. She enjoys shaking fries and heating buns (sounds like fun!) Her future goals include becoming an accountant or the manager of her local MacDonald's (whichever pays more!) Best of Luck Jackie!

GLEN MCMINN

Candy Cane McMinn (CCM for short) is reknown for his antics at the Prom in gr. 12. "This is my gr. 12 Prom and I'm so tired." Glen is most likely to become a model or a designer or a professional sweating ball hockey player. Glen will always remember Mr. Stranges Calculus class for various reasons! Keep on Living it up, Glen!

LISA MECKBACH

Remember Pee Wee's Big Adventure (the story of a rebel and his bike?) well this is a tale of a rebel and her jean jacket. Lisa, a real rebel and partier at heart contributed greatly in all her adventures at C.C. High, especially as K.R. Sports Ed., campaign manager for two yrs., and as founder of the newest frat at CCH "Delta Rebel". As advice strategist for an underground spy network, Reb could usually be found in the K.R. office using sign language while making plans to overthrow those "bloody terrorists". Good Luck Reb!

STEPHEN MCKENNA

Steve loves CCH and all it stands for. He's a true crusader and will probably become a success in whatever future endeavor he takes on. Best of Luck Stephen!

TRACY MCMANUS

Tracy is one tough cookie. Tracy was always wearing some type of bandage, or cast or brace on her body due to injuries she received from playing hockey. Maybe you should consider joining the men's hockey team, I hear they are more gentle players. Tracy also secretly told me that she loved Mr. Van Dommelen's religion class and that she actually kept all of her notes for a keepsake of course! Way to go Tracy!

DANIEL MCPHEE

Dan enjoys life, scientific phenomena, and music. Dan will probably go on to conduct his own symphony orchestra or become a professor in music appreciation. Have fun Dan!

RICHARD MEDOS

Richard and his buddy Mark are "heavy" into heavy metal. For the past four years, they have kept the rocker population of CCH informed as to the scuttlebut of the rocker world with their intriguing concert reviews in the Knight rider. Due to academic reasons, Rich was not able to continue the column, and rockers everywhere will never be the same. Bang Your Head!

KIM MERKIES

For all of you who don't know Kim, or just haven't seen her around you've probably heard her, she's the one who walks around with bells on her shoes. (cute touch Kim) Kim enjoys the outdoors, horseback riding English, and spending time with that special someone. Have a great life Kim!

GREGG MESSNER

Shaving cream on Helen Martin; disassembling and reassembling car in the cafeteria. Jeff Young haircuts, plant parties, impersonating officers of the law, liquid lunches; Sunoco night-shift, car time trials; etc. etc. etc. Gregg would like to become a Security Guard Good Luck Gregg!

GIACOMO MICHIZENI

Jack is another one of the famous Italians that enjoys holding up the wall in the W.W. Cafeteria. This tall, dark, handsome crusader is a true romantic at heart (must be his Italian background!) and as a result spends most of his time mesmerizing the female population at CCH with his indepth conversations - on soccer, (how romantic!) Buona Fortuna Giacomo!

TONY MICHIZENI

"Spudd" (two d's) enjoys conversing in Lower Punjabe and Western Afghan and has this phobia of being mistaken for a bank. He is also one of the famed Italians who hold up the East Wall of the Curinga Club Sports Complex, but has to leave it to become a rich dentist in Afghanistan. His most fulfilling learning experience was in Physics 5A1 where he learned that 3.9999 always equals 4. That's just Marrvellous! Tony!

ROD MILLER

"Schmoo Baby!!" the gr. 13 couch potato. Rod is often seen bummin' around the cafeteria during A... B... C... D... and E. (yes he was registered in classes!) Rod is our very own gr. 13 idol (and the gr. 9's liked him too!) because he looks MARVELOUS. Rod frequently says, "How you doin'?" He finds it hard to just say hi! Rod was another one of our star hockey players. (the penalty box was a second home to him.) During the school year he was often seen at the E and C dressed quite dapper. Rod is very ambitious and we're sure he'll go far! Good Luck Miller!!

CATHERINE MITCHELL

What a wild woman!!! Mitch joined us this year from the Mount thank goodness we could be fortunate enough to be graced with her presence (edge of sarcasm!) Cath made English and World Politics bearable with her wit, charm, and vicious debating. Off campus, Cathy attends Knightrider bashes and helps Deirdre do the dishes (ar ar). Cath's favorite activities are COR, bopping at the Bavarian, and chauffeuring her sister from way out in the boonies so they can enjoy the nightlife in London. Good Luck in the future Cathy!!

ROSEMARY MOLLOY

Rose was usually a quiet person at school except for those occasions when Mr. Furlaro's jokes actually made her laugh. Mr. Furlaro's humour impressed her so much that she went on the ski trip to Quebec to find out more about French humour. Conclusion - no matter what language she's speaking, Rosemary's laugh is the same. Well, we wish Rose luck and hope that her laughter will keep her going at Western next year.

HANS MOONEN

During the past five years, Hans has been in class approximately 3 out of the 5. He enjoys skipping class (obviously), going to the Bend and being on the Ski Patrol at the Byron Bump. Hans has also been voted most likely to make oops. I mean WIN! a million dollars.

GEOFF MORLEY

Geoff is, well, kinda different. If ya know what I mean. I still remember the day that they stole his glasses in Physics class - that was kinda funny, eh Geoff? Well no one's going to steal his new John Lennon specs. (who would want them?) Geoff has spent the last five years desperately trying to find his true identity, and we hope he finds it. Good Luck, Geoffrey, and quit harrassing the girls at Cops!

KELLY MORRIS

Kelly is one of the few fortunate 13's to finish school in January. Then she was off to Europe for 6 weeks. Kel enjoys late nights at the Latin Quarter where a certain male plays guitar, and missing class once in a while to help her friends celebrate their birthdays! Next year, Kelly plans to "be serious" and work hard at King's. Right now, she spends her days employed at Big V and her nights partying about town. Best of Luck, Kelly!

BRIDGET MORRISSEY

Bridget is definitely a PARTY ANIMAL. Bridget is also an artiste at heart, and can be seen in school shows, in the Theatre Arts, portable, and ushering the cultured few at the Grand Theatre. Bridget wanted some culture for herself, so she spent the summer in England. Her true character may now be revealed - as a PUNKER! Bridget's future plans include Western, where we hope she'll find some real PARTY man! Obviously, Gidget oops I mean Bridget thinks life is a PARTY. For sure, she'll be raising cane for as long as she lives.

BRENDAN MURPHY

Brendan's nickname is too rude to mention so we won't. Instead we'll say that Brendan did a great job as goalie for the COH hockey team (way to go Brendan!). We could also say that Brendan's height is sometimes confused with his class attendance record (only kidding!) Brendan is one of those out of the ordinary people that everyone loves to meet. He enjoys getting on people's nerves and as a result loves to socialize. (you figure it out!) Keep on enjoying life Brendan!

KEN MUNGAR

Ken enjoys adventure and romance. His plans include starring in the made for T.V. sequel "Romancing the Stone". If he finds that this is not quite what he wants out of life he'll probably become a famous musician. Either way he's got it made! Until then Ken plans to take life one day at a time, enjoying every moment as best as he can. Hope all your dreams come true Ken!

DAVE MURPHY

The gr. 13 oops I mean gr. 14 cutie. Dave is well known for his baby blue eyes and his cute smile. (not to mention how he looks in his black Levis!) Murphy had a great hockey season once again. Congrats! Dave's ambition is to start his own clothing chain. His slogan will be: "The Safety Pin is In" (who knows it may catch on) Next year Murphy is moving on to bigger and better things. C.C. High will miss him terribly. Good Luck Dave!

MEG MYERS

"Hello" Did you hear the one about "Hello"? Meg is a comedienne extraordinaire, (edge of sarcasm.) Her ambition in life is to star in a "Catholic Education" the Spirit is alive commercial. Meg was devastated this year when she discovered there is no Santa Claus Margaret (she hates being called that) was involved in orchestra, COR, and Camp Oskinko this year. Meg's blood pressure rises when people don't laugh at her jokes, (common occurrence), and when tuition fees are abolished after she's done school. Love ya, Meg! Keep on laughing!

LARA NAREGATSIAN

Lara's our resident terrorist and she's proud of it! She has threatened to blow up CCH if we don't install a suntan studio and squash courts. Lara's favorite class was Fr. Thompson's 13 World Politics class, (must be a result of too much sun, eh Lara?) Lara enjoys wearing her sunglasses at night, and listening to "Frankie Goes to Hollywood". Lara is a world traveller, and her favorite destination at the moment is Lebanon. Amuse-toi bien a l'universite l'annee prochaine! (If you don't know what that is, it's French, if you don't know what it means ask Lara!)

CARL NEELS

Carl is one of our more famous grade 14's. Some of his favourites are football, Michelle and CCH (not necessarily in that order!) Carl plans to play pro football in the NFL or become an opera singer like Pavarotti, (well both of these individuals probably wear the same size!) Have a great life Carl and good luck in the future!

FERENC NEMETH

Ferenc only stuck around C.C.H. for 1 1/2 semesters this year. He often came to visit and you could see him drive by in his sporty, red Renault. Ferenc was the brilliant sax player in Cabaret and next year is going to Boston to study jazz performance at Berklee College of Music. But we think he'll head back to Africa and learn to play the bongo drums or maybe he'll learn to yodel in Switzerland. Well, whatever you do Ferenc, don't forget us when you make it big or we won't have anyone to borrow money from!

DOROTHY NOVAK

Digger is an AMAZING B-ball player and was the team M.V.P. this year. Dorth's favorite things to do are working at Copps, locking her keys in the car, and tanning at the Bend. "Tinman" is another species of PARTY ANIMAL at CCH. Why else would she be going to Western? Seriously though, Dodo's going into business school, in the hopes of buying out Copps Buildall. Dorth would like to thank all the gr. Thirteen men who kept her fan club going strong! Arrivederci, Digger!

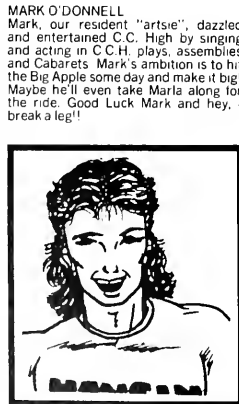

ANN NOWAK

Have you ever known one of those people who never attends class, yet manages to ace out anyway?? That's the story of our Annie and Calculus 5A1. Even with her full time job at ChiChi's, Anne managed to keep up in school and had time for a little politics on the side, as she campaigned for our Premier, Dave Peterson. In her spare (?) time, Annie spies on Mr. Stranges and devises new excuses for being late for school so often. Best of Luck in everything Ann!

OLIVIA NUGENT

"Liv" has spent the past year livin' it up (just like Martha!). This PARTY ANIMAL's extra curricular activities include riding the school bus and studying for exams with Michelle, Margie and Martha. This intellectual individual thoroughly enjoyed Religion and Economics (when she was there!) and will probably go on to major in either or both. Keep on enjoying Olivia!

MARK O'DONNELL

Mark, our resident "artsie", dazzled and entertained C.C. High by singing and acting in C.C.H. plays, assemblies and Cabarets. Mark's ambition is to hit the Big Apple some day and make it big! Maybe he'll even take Marla along for the ride. Good Luck Mark and hey, - break a leg!!

MAUREEN O'HARE

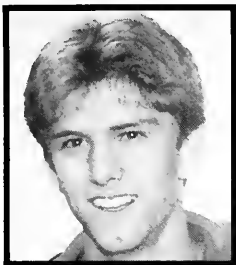

At first glance, Moe may appear to be rather reserved. However, she's a typical Irish troublemaker, if ya know what I mean! Moe's styles have evolved over the years -- she was once into "dance" but is currently attempting to be as preppy as her little brother Moe's interests include entertaining Kavalkaders at the infamous Irish club where she enjoys taking pictures of happy teachers. Enjoy yourself, Moe!

SHELLAGH O'LEARY

Shelagh is Irish (I wonder if she knows Jason Gillooly?) She is certainly not a terrorist, (see Deidre Rowland). Shelagh spent her first years at CCH actively involved in sports until she got her age of majority card then it was off to the bars!! Spooners is her regular hang-out where she enjoys conversing in Swahili. Rather than babbling on, we'll just say "Aurevoir et bonne chance", Shelagh.

BRIAN O'NEILL

Brian is one of those firm believers that feels there IS life after CCH! Brian is living proof! He has spent his summer holidays relaxing while watching the grass grow at the same time. (Sounds like fun!) He also feels that flowers and weeds make a stunning combination, (remember that one on your next date guys!). This partner is a super sweet guy and will definitely go far in whatever endeavour he takes on. Have a great life Brian!

GERRIE O'DONNELL

Gerrie was voted most likely not to dunk a basketball. Gerrie likes to give things out at work. She used to work at McDonald's. Now she works at a Bank (hint, hint.). Gerrie was one of our cute secretaries on Student Council this year and enjoyed every minute of it! Gerrie has a lot of charm and personality and will probably use both to her advantage in whatever highpaying job she takes on. Good Luck Gerrie!

CHRIS OFF

One can tell that "The Legend" has returned to CCH by the sparkle in every girls' eyes up on the third floor of the W Wing. Chris was also a major asset to the senior boys soccer team this past year. Alright Chris! There have been some rumours that Chris is related to old Blue Eyes himself "Frank Sinatra"! Keep on charming the girls Chris and enjoy yourself at Western!

RICHARD OKO

Rick's ambition in life is to finish high school in five years. Congrats Rick you did it! His other major goal in life is to sing on Polka Time. Oaks pet peeve in life are Healy and Fitz even if they are two of his best buddies! Oaks is always found saying Huh! or RRAAAHAAHAA. (Who wrote this?) Well Rick Good Luck in the future, we look forward to seeing you on the tube!

MICHELLE OVERHOLT

"We're here for a good time, not a long time." Mish has this thing about grade thirteen Math courses as she has taken most of them twice! She enjoys lounging at the Ogie Room, drinking "anything wet". Michelle's favourite things in life are unforgettable "Moments", cars with both doors that open, and weeping openly while signing yearbooks. Her ambition in life is to blow up Father T's scarf. Get a life, Michelle! (and have a great time doing it too!)

MARIA PAOLO

We suspect Maria was not too fond of school since she was hardly ever there! She did keep mentioning something about too much of a good thing. Right Maria! We'll have to use that one next year! Seriously though Maria is a super nice person that really gets a kick out of enjoying life. Good Luck Maria but remember, too much of a good thing. (Well keep on enjoying a good thing even if it isn't CCH!)

JOAN PATON

Joanie finds CCH life to be exciting yet relaxing and will probably go on to search for something even more thrilling than her past experiences at CCH! Good Luck finding whatever it is you're looking for Joan! Keep on enjoying!!

SAM PAPADAKOS

Sam is another one of the CCH men who will probably go on to model for GQ. Not only does this guy know how to dress nice he also knows how to party! Sam was voted most likely to change his last name and his first name, (we're under the impression that Sam is not really his first name). Sam's one funny guy and will probably start designing his own line of clothes using his real name "Sotinos" as a designer label. With an exciting name like that we're sure they'll be hot sellers! Have a great life Sam!

MARGIE PAYNE

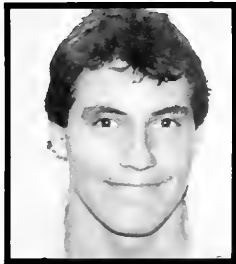

We could make a few sarcastic remarks about Margie's last name but we don't want to be a pain. Margie could always be seen in Pat's portable - rumour has it they were writing a screen play for a new T.V. series called "Sox in a Catholic School." Sounds Scany! Margie loves the Big Apple and will probably become famous as a Broadway actress or as an astounding Drama teacher! Margie certainly has got what it takes to make it big in whatever she decides to do. Good Luck Margie!

PETER PACZKO

Pete's ambition in life is to be a he man, that's why he came back yet another year to prove that you don't have to be Italian to be a he-man (note, we were not allowed to write Gino). Well Pete maybe so, but soccer is a definite must! Pete is also known for going all out at parties and we can also guarantee that Pete will keep on partying in the future. Our type of guy! Good Luck Pete! Enjoy!

MIKE PHILLIPS

Mike is a tall good-looking crusader who felt grade 13 just wasn't good enough and decided to try another year. It seems this guy has even more fun the second time around (and not only in school!!) Mike's hobbies include befriending short people and treating each day of life as a party. Keep on enjoying Mike and have a great life!!

MIKE PENDER

This guy enjoys getting as many muscles as is humanly possible in a little time at Gold's Gym. Mike is probably the only 13 graduate whose favorite color is brown but we won't hold that against him. Mike plans to become a policeman. (What a brave guy! - after all he was part of the Troopers this year.) "Officer Mike's" favorite saying is "Let's go troopers!" Good Luck in the future Mike!

ANN MARIE POELS

Ann Marie, who is often confused with Mary Ann is one of those people who loves to socialize and as a result enjoys living life to the fullest. CCH has definitely been an experience for this gal and she looks forward to even more challenging experiences in the future. Good Luck in whatever challenges you take on Mary Ann - I mean Ann Marie!!

MARY ANN POELS

Mary Ann, (Ann Marie's sister, twin sister that is) spent most of the year avoiding Algebra Tests by simply not looking at them (what an interesting approach!). Ann Marie, (oops!) I mean Mary Ann is another member of the Poels family that loves life - it obviously must be a genetic trait. Good Luck in whatever the future holds for you Mary Ann!!

JOHN POL

John has a very unique yet confusing name (he is sometimes mistaken for the Pope). He is yet another member of the W.W. table gang and although it may be difficult to believe John is really CCHigh's own wild punker. Check out Mad Mondays at Notes - you'll see! John detests bees for some reason though he is often found saying Buzz Off. Best of Luck at Guelph John!

LOUIGI POMPILI

Louie is another one of our cute Italian men at CCH. Lou's favorite place of gathering is Daytona Beach (what a party!) and his favorite sport is calcio (translation: soccer) which always works up a good appetite for his favourite food: gnocchi. If you don't know what that is you're missing out on a delicious Italian meal. As a result of gr. 13 Louie learned never to trust a female (I wonder why?) Grade 13 has been a real blast for this guy and he plans to keep having a blast in the future. Good Luck Louie!!

KAREN PRENDERGAST

Karen could be seen every morning walking to the exclusive Midtown restaurant where she had her morning dose of caffeine. Karen was also a resident of the pit and had definite plans on how she was going to redo the pit in wild beads and neon colors. Karen loved CCH as much as she loved her uniform. Karen will always be remembered for her long flowing hair and fine stature. Good Luck Karen, CCH's pit will never be the same!

ANTHONY PROVIDENCE

Anthony has a neat Trinidadian accent, especially when he says, "Wow man, what a concept." Anthony plans to go on in his education (CCH was such a great influence!) and take over the Toys "R" Us industry. Anthony is a terrific guy and a super friend. Toine's departing thought is "Did you know that your being is totally composed of protein?" Wow man, what a concept. Best Wishes for a great life Anthony!!

JOANNE PUBBEN

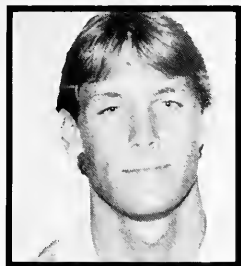

Joanne is your average quiet student (but only to those who don't really know her! - those of us that do know her can honestly say that Joanne really knows how to have a great time!) Her hobbies include going down Suicide Run in Quebec (she's an excellent skier) and working with drugs (at the Pharmacy). Joanne plans to go into Toxicology. Good Luck in the future Joanne. Enjoy!!

ALLYSON REGAN

"How're ya doin'?" Allyson is Nancy's sister, but not her twin. In fact, they have nothing in common (Nancy is sane). Ally loves to "borrow" her mom's car at lunch so that she can go downtown and buy a muffin. Boppin' Al left all her friends in London so that she could slave her summer away in some trashy hotel in Norway. When she comes back, watch out for "Chuck" to go flying by in the Party-mobile, on her way to a Frat party. In moments of indecision, Ally flakes out at the Latin Quarter. Keep on enjoyin' Allyson!

MARK REGAN

Mark is a fantastic hockey player but rumour has it that Mark wants to defect and play for the hockey team in China. Mark is one of those easy going guys that looks and feels great. Since Mark is also a fantastic football player he will probably skip China and go on to play for the Western Mustangs. We'll be cheering for you Mark and good luck at King's!

NANCY REGAN

"Oh my Gawd!" Nanci Reggs is a Rebel! Extrordinair! (Are you serious?) Nan is your typical loud, vivacious carrot-top and what a head of hair she has! New hairstyles are introduced to CCH courtesy of Nance and Headlines. Nan does have her "quiet" side. I have witnessed it once every leap year and she's a good buddy to lean on when the chips are down. She skipped town to vacation in Norway for the summer. What a Rebel! Best of Luck at Waterloo Nance and "I'm not lying!"

MIKE ROBBINS

Well after gr. 14 Mike has finally done it! He has played badminton, volleyball and basketball. Mike is also highly attracted to women, his favorite past time is chasing the girls through the school during class. (No wonder he came back for another year!) Mike will probably go on to a higher educational institution to expand his past time to actually catching the girls. Best of Luck in the future Mike!

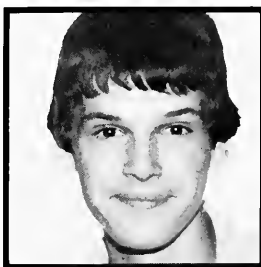

LISA ROCHFORD

Rochford is another one of those last names with many variations (see Andellinger). This fun-loving girl only had one class last semester which she was always late for. She spends Thurs nights partying at the Ceeps where she is often mistaken for Madonna. Lisa's favorite thing is Pretty Boy. Her dream is to one day ride in the Olympics, maybe 88 eh Lise! She is well known for champagne breakfasts and will probably own her own horse farm by the time she is 25. Best of Luck Lisa!

SAM RONDINELLI

Sambo is the official Italian supervisor of the W.W. Cafeteria wallflower committee. Sam played football and B-Ball (he loves that sport, ask him!) Moose is often found in the parking lot trying to keep people off his car. He is always saying "The situation is obvious" and his big dream is to own a fleet of 1973 Monte Carlos. Sam's a real sweetie and we wish him the best of luck in University!

JOHN ROSATI

John's favourite color is purple (what a great color) and what a wild guy! He enjoys soccer and tennis and hanging out in dark alleys saying "Watsa matta fa you". But alas he is leaving this fair and quiet city for the exciting and fun filled city of Guelph. We are starting to miss you already John! Life just will not be as bright and cheery! (re yellow sweatshirt). Good Luck in whatever you do John!

DEIRDRE ROWLAND

DeeDee is a product of the Irish Republican Army's private school system. One night she mixed beer and Sprite and PRESTO! she invented Twist Shandy. We won't say that Deirdre likes to party for fear her mother will read this. Known as "General" (either for her sunny disposition or her family connections) Deirdre managed to drive the Knight rider into the ground. "Ed" claims she is the first person to wear a jean jacket to CCH since the ban on denim in 1980. Have fun travelling Deirdre!

TIM RYAN

Tim's hobbies include painting goal posts and sneaking out of the house when his parents are asleep. Tim once had a dog called Cyclone, a fish called Tidal Wave, and a rabbit called Blizzard. Theresa is considering changing her name to Earthquake Blake. Tim's going into Engineering. Best of Luck Tim!

PHIL SAUNDERS

"Amazing!!" Phil hails from that wonderful little dictatorship of Chile (this is true!). He knows a lot about music (just ask him and he'll tell you). Phil detests teachers that pick on him when he's "innocent". Phil's passions include Carla, COR, cherry Jello with whipped cream and the colour purple. His secret desire is to become a rock star (like Prince) and marry the irreplaceable Rebecca Rankin. Note: Phil's nicknames were too nasty to mention. Have a great life Phil!

DORIS SBRIZZI

Doris is CCHigh's resident Soap fanatic. "Yeh" Dods can tell you anything you need to know about Young and the Restless and General Hospital. "Breezy" loves to boogie at the Bavarian "slinging" back a few. She excelled in Calculus this year (redie of sarcasm) and is aiming to major in Math at Western just like her idol Frank Stranges. Doris is Italian but at times doesn't think too much of the wallflowers who she learned also play ping pong! Best of Luck Doris! (P.S. Grant has the treasure!!)

ANGELA SCANL

What a great year Angela had! What a great gal! - she deserves it, and she hopes to have many more like it. She looks forward to becoming rich and famous but will never forget what influenced it all for her (CCH of course!) Keep on enjoying yourself Angela and Best Wishes for a terrific future!!

Best of Luck Beverley!

CAROLINE SCARFE

Caroline is a wild person but hides it under a shy smile and quiet personality but we all know the truth. To prove this look at all the jobs she had this yr. Honey Hucker's, friendly telephone solicitor for the Free Press and Parking Attendant. Seriously Caroline is one of the nicest people around and you can always count on her for a smile. We hope that whatever she does she'll always walk on the wild side!!

MARIA SCHNURR

Maria loves dressing fashionably and gets a real kick out of luxury. She'll probably go on to live in her own Penthouse with male servants serving her hand and foot. (you'll be the envy of all the girls Maria!) Hope you're dreams come true and Good Luck in the future Maria!

MARK SCHOENMAKERS

What can I say about Mark except that the W.W. cafeteria loved your three-piece suit on Monday mornings. Mark is a definite C.C. High fan and is probably the only person I know who never ever skipped a class (you Brownie you!) but this guy does enjoy a good party! Good Luck at King's Mark!

CATHY SGROMO

Cathy unfortunately never made it on the C.C. High fan club - and I'm sure that she is heart-broken over it. Cathy's favourite times at CCH were when she wasn't there. Cathy enjoyed her morning cups of java at Towne Lunch with Krys where they both conspired to sabotage the CCH cafeteria. Good Luck to Cathy who intends to pursue a career in Art!

EVELYN SILVEIRA

"Hi there sexy!" Evie is quite the flirt; it all started in grade eleven French (remember Evie!) "Boo-Boo" has high expectations for herself - she aims to become Prince Andrew's wife and the first millionaire of the Class of '85. Evie cringes at guys who wear white pants and leather jackets in the winter (yuk!) This yr she learned that "procrastination is the thief of time." Have fun at King's and Good Luck in the field of Social Work Evelyn!!

VINCE SILVESTRO

Vince is a remarkable young man. His headquarters are located at Vito's Cave where he enjoys demonstrating his ability to do everything well. Best of Luck in the future Vince!

ELIZABETH SILVA

This vivacious and exciting Portuguese girls enjoys spending most of her time in Portugal. I think she has been there more than she has actually lived here! Liz enjoys meeting people especially men. This girl always looks her best and will probably go on to model in Portugal or design her own clothes and live in a villa there. Keep on enjoying Liz!

CHRISTINE SKLADANY

"Yo, Skladany!" Chrissie is well "simply marvelous darling." Chris is always walking or riding her bike (hasn't she ever heard of driving?). Her favorite sport is Unidentified Western Objects. Her secret ambition is to be a cafeteria monitor like her idol Denny, but journalism at Carleton has its advantages. Soon we'll be seeing the likes of Chris on Global News discussing "radical squids." What an amazing woman!! Have a great life Christine!

MICHELLE SLEGGERS

Michelle likes hiding behind locker doors, maybe that's why we haven't seen her around much at school this year. Michelle is another one of those Oktoberfest girls (what a party!). She's a lot of fun and a real sweet girl too. Be careful of those late night excursions hanging out of car windows Michelle! Keep on enjoying and have a great life!

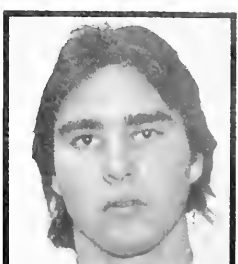

KRYSTYNA SLIVINSKI

Krys was recently seen shopping for a whole new wardrobe. Her financial source? OSAAP of course! "Krys you look Mah-velous!" She also went on the Quebec ski trip this yr. She was seen in some very unusual positions on the slopes (especially one in particular, eh Krys? - thanks for making our trip so memorable!). As a result the Ski Patrol became her best friend. Krys you're a terrific person, a superb skier and a barrel of laughs. Keep on smiling at U.W.O. Krys!

MIKE SMITHSON

"Smitty" enjoys football, parties and women (not always in that order). This guy has sent many female hearts throbbing when he walks the halls of CCH in shorts and only shorts! Mike enjoys life and will continue to do so while furthering his education. Good Luck in the future Mike!

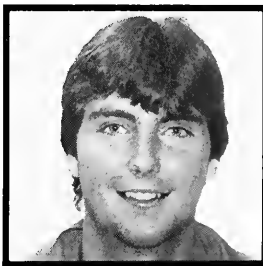

PAUL ST. PIERRE

Paul was an active member of the football team and went down in history after blocking that punt during the Laurier game. "Saint" was also president of the Cat Stevens Fan Club, and a fervent member of Hippies Anonymous. Paul's future plans include running a mercenary school in Alabama, and getting his hair cut more than once every leap year. Go for it Paul!

MARY SOBOL

Mary was our resident Library Prefect as well as our resident "tall" Polish person. Mary loved World Politics especially when she had her homework done before Period E. "Stretch" will best be remembered for telling those rowdy Librarian groupies to shut up or get out. Her plans include opening up a resort for those overworked prefects where she'll serve pierogi with polish sausage and Vodka. But more than likely she'll become a lawyer. Good Luck Mary!

PAUL STACEY

Baz or Bob enjoys the goodlife, a cooler, the beach, a girl, a beer belly and a butt. It's true that Baz is "wanted" in Florida for littering. When not in class he is with Cathy. Hobbies include calling in to work sick, English muffins and cheese. Good Luck being a Cop or a Steeler Paul!

CHRIS STANEK

Chris is yet another member of the West Wing Cafeteria gang who enjoyed being rowdy especially on Monday mornings. Shalom Chris and have a great life!

WALTER STEMBERG

Walter came back another year just to relive the experience of playing football and soccer. He is still waiting to hit it big at the tracks but he's sure his ship will come in soon. He hopes to further his education on a football scholarship. He'll probably do it too, after all he's one of CCH's very own football heroes. Have fun as a football star Walter!

RANDY SWEET

Randy is another famous gr. 14. Sweetie plans to become a genius through computer technology if he doesn't make a fortune selling "Sweetie Treats" in his chain of candy stores. Either way you've got it made Randy. Best of Luck in the future!

DEBBIE TEMMERMAN

After five years Debbie still "couldn't" figure out what C.C. High's uniform colors were. Perhaps that explains all those red, yellow, green and anything but navy sweaters Deb's favourite times at CCH were when she prefectured during C lunch. Deb loved exercising her authority on those poor rookies and as a result this power-hungry gal will probably join the Militia in the future. Have fun Debbie and Best Wishes for a great life!

CAROLE THIERRIN

Carole thinks Ferenc has nice legs! (Well, it was on your survey Carole!) And we thought you were so innocent! "Oh, the worst!" Carole is Swiss but speaks French (aren't you confused?). Her bilingualism will certainly come in handy when she becomes a flight attendant. Carole enjoys Drama, Calculus and Orchestra. She works at Storybook Gardens making a mint off whiny little kids (sounds like fun!) Carole gets our vote for nicest person this year. Way to go Frenchie!

BILL THOMPSON

Bill hails from the quaint town of Woodstock, from which he commutes daily. Maybe that's why he's ALWAYS late for class. Ah well, Bill has his good points too, such as his amazing basketball skills, his ability to pass French 5A1 without studying, and of course his BODY!! Come on girls, admit it. Bill is definitely the most eligible bachelor at CCH, or dare I say it, in all of London! Keep on looking great Bill!

KATHY TONKOVIC

Kathy loved the uniform and served as an excellent role model for all the nooks. She enjoys spending a night out on the town dancing and partying. Keep on enjoying Kathy!!

LAURIE TOTTON

Laurie is a great person to go out with cause she has fun wherever she goes. Question: If you went to the dinner at last year's Turnabout why didn't you go to the dance? Was there a problem? (tee-hee) Laurie's favorite game is shierades especially when we play it at Tom's house, eh Laur! In a few years you'll be able to see Laurie's smiling face if you're ever in the hospital since she is going thru to be a nurse. Best of Luck Laurie!

ELLEN TOWNSEND

E.T. enjoys travelling to the exciting town of Chatham to see you know who. El is a "Kamakazi" woman and aspires to become a history teacher like Tim MacDonald. On the other hand she could utilize her "White Pirate" talents to take over all the bars in London. Then again her Irish background gives her some good connections so maybe she could join the same army that Deirdre is in. Best of Luck either way Ellen!

RITA TRAMUTOLA

Rita enjoys drinking "Stupid Cupids" (don't ask, we didn't and we're content with that thought). This vibrant Italian female plans to teach French and make pink and blue the school's uniform. Rita doesn't care what others think of her that's why she also drinks "Faddio's Fancy". Rita loves her mother's cherry cheese cake but can't stand people who talk too much. Ciao Bella and Best Wishes for a terrific future!

CATHY HALMAI
Sorry Cathy we almost forgot you! But we didn't know you were in grade 13! (You are in grade 13 aren't you?) Well even if you aren't we wish you the best of luck modelling in three inch heels for Vogue. (That is what you want to do isn't it?) Well then best of luck in whatever it is you really want to do and have an amazing life!

RENATA TROC

Renya, as her dear friends refer to her will inevitably become President of Ralph Lauren Clothing Incorporated. Indeed Ren was never seen without at least one piece of fashionable clothing this year. Ren's favorite hangout is Western and the Elephant and Castle where she was often seen with that guy. Renata plans to go white water rafting with the likes of Calvin and Raifly. Don't go overboard and become a Yuppie Ren! Keep on enjoying!

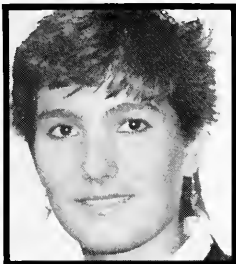

ANDY TRUMBACH

Andy is one of your all-around nice guys. Andy spends most of his time with Renate or working at Toys "R" Us. (When does he actually go to class?) He always looks great in his pleated pants and baggy shirts. This trendy guy plans to start up his own fashionable toy store. Good Luck in the future Andy!

BRENT TUGWELL

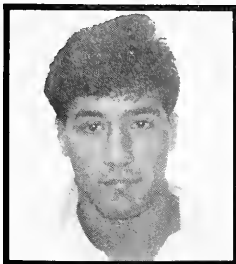

Brent is the big football player who walks around the halls in bright Hawaiian shirts, right from Hawaii! He was there! Yes, and he'll probably go back. What a guy! "Yep." Tugs is coming back next year to learn something, at least that's what he tells us. We think it's so he can play hockey again. Enjoy Brent!

TANIA TYZKYJ

Tania, I hope I spelt your name right. Tania joined us this year from the Mount, so we don't really know a heck of a lot about her, but sources say she is a very nice and cheerful person who loves to work out. Tania has certainly brought some class to CCH, and a few good hairdos as well. She also entertains with the Ukrainian dancers every Kavalkade weekend. Party up!! Best of luck in the future Tania!

DANNY VALENTE

Danny was voted best male dresser of 1985 and we all know why, eh girls?! Valente proved that looking great every day comes naturally. His year-round tanned body in those pink shirts has made many girls wish they could do more than just admire him from afar! We don't know exactly what your plans are but whatever they are we know you'll succeed in them. Good Luck Danny!

SUZANNE VAN BEEK

Suzanne enjoys almost anything as long as it's a good time. Her interests include ball-room dancing and a variety of men. She also enjoys partying with Melissa and changing schools more than ten times in a life time! Keep on enjoying life to the fullest Suzanne!

JOANNE VAN MIL

Jo-Jo is known for having an exclusive gr. 9 fan club with the men of course! She is also known for being the better half of the infamous sweatshirt that had her name printed on it. Gr. 13 has been an experience to remember for this Dutch gal and she learned that "Nobody calls Charlie Spaz." "Yeah, Right!" Joanne enjoys drinking Coke (which one?) and eating pizza and popcorn. Good Luck as a computer buff Joanne!!

DIANE VASIJA

Di, is often found saying "Oh my God, are you serious?" She absolutely detests the CCH gossipers, and learned to never believe anything Jeff Young says. Diane's big future goal is to have a tree-decorating party like Lorraine and marry someone rich and own a Porsche. Best of Luck Diane!

LAURI VIGNA

Lauri is wild and crazy and sometimes not of this world! She enjoys spending her spare-time checking out the football fields for footballs but we really know it's the players she's after. Best of Luck in whatever field you decide to tackle in the future Lauri!!

VERONICA VAN ROOYEN

Veronica is one of those multi-cultural-interests people. First of all, her background is Dutch and Italian yet at CCH she studied French and Spanish (a language she feels should be limited to Spain). Secondly she wants to become a broadcast journalist and her interests include acting and singing. Sounds like this girl will never have a dull moment in her life! Oh, and one more thing she hates being called Ronnie. Best of Luck in the future Veronica!!

ROB VERSCHUREN

Rob is that cute little Dutch boy with the stylish clothes. He can be found wandering the halls with "the little woman" or blushing profusely when he is called on in class. His favorite pastimes include the W.W. Cafeteria and going out with Mary. Rob's a terrific guy who knows where it's at and will go far in whatever endeavor he takes on. Good Luck Rob and keep on enjoying!!

ROB WALSH

Rob is a devilishly handsome character who only attended school for half a semester. I must confess that I have no idea what Rob did second semester, but I imagine he was up to no good. Rob was a great fan of the "Troopers" and is a member of Ron's gang. His pet peeve is "warm suds" and his goal is to become a tool-maker.

DAN WATTIER

Dan is one of the new faces at CCH this year, so we don't know too much about him. But our sources reveal that he enjoys parties and sleepovers. He feels CCH has been good for his intellectual being and as a result of coming to this fine academic institution he hopes to become a big success! Good Luck Dan!

DEBBY WATCHER

Deb could be found every morning in the corner of the pit trying to recover from her mega-parties over the weekend. But she made sure she was always alert for French class. Deb is also known for being a fantastic skater and a resident of the WW cafeteria where she always played cards (apparently Euchre - but not for money they played for cigarettes). Best Wishes for an amazing life Debby!!

CORINNE WESTER

Corinne was this year's wonderful yearbook editor. Yes, the same girl who leaves her locker open and walks away, over-exposes her film and loves the colour purple managed to put this thing together. She also learned to ski this yr. (or at least tried to). Seriously Corinne has worked very hard this yr. and has kept smiling throughout the whole ordeal. We'd all like to thank her for a job well done and hope she carries that smile to King's next year!!

BRENT WHITE

Brent's special memories of CCH include Mr. Stranges Calculus class, Mrs. Berthoty's Functions class and riding his motorcycle with Meg to Michigan! Brent has had a super year and looks forward to many more of the same in University. Keep on enjoying Brent and have a great life!!

LEE WHITNEY

Believe it or not, Lee is Italian. She works at Wendy's, has the nicest wardrobe at CCH, and her favorite teacher is Mrs. Heiland our staff advisor. Lee has been an outstanding student of CCH. Her accomplishments include Prez of the C.I.A., and the Ernie McTavish nominee in '84. But she will always be known for her friendly disposition and close-up smile that makes you feel warm all over. Love ya Lee! Good Luck!

JACKIE WYNEN

Jackie is another one of those people we know very little about so we have concluded that she must be a woman of mystery and intrigue! (Sounds exciting!) Well we hope that all your dreams come true and that your life is filled with adventure and romance!

MARY ANNE WILLIAMSON

Annie learned that there is more to life than studying. There is Partyng!! "Lavern" plans to become a Marvel Beauty School Dropout. Then again she did mention something about being a pediatrician. We should also mention that Mary Anne's idol is Mr. Meyers (something many girls have in common!) She is a true prep and therefore can be found in her pink and green duckies loitering up at Western or vacationing in Florida.

MONICA WILSON

Monica left us after first semester to go into the big working world. She can often be seen partying with Geordie, Michelle, and Carl. Her future plans include becoming rich and famous. Best of Luck Monica!

SHELLEY WINTERS

Shelley gets real pleasure out of science and thoroughly enjoys joking around with Graham. She enjoys life in general and fantasizes about becoming a star. Hope your dreams come true and good luck at U W O!

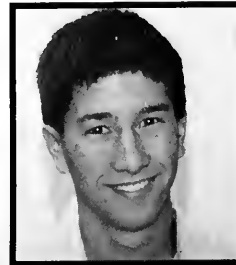

MELISSA WOODCROFT

Melissa is one of the smaller gr 13's but her outgoing nature and loud personality makes up for what she lacks in height. Melissa can relate to the male population at CCH, she knows all of them. Melissa enjoys mudwrestling, big trucks, gossip, and having a good time. Best of Luck Missy!

JEFF YOUNG

Jeff enjoys modelling trendy haircuts, being extremely intelligent and having great parties (after all he comes from a party family!). He will always be remembered as the exciting V.P. in '84 who got our votes by handing out fortune cookies. He is often seen chumming around with Rich, both of which will be remembered as the unusual male cheerleaders at the Red Feather game. Enjoy yourself at Western Jett!

STEPHANIE YOUNG

We all know Stephanie for being the sexy secretary on S.C. this yr., who also had the honour of keeping peace up in the S.C. office. Steph's sunny disposition cracks a smile from even the coldest of people. Younger is heading to Windsor to pursue a career in nursing (oh, those lucky doctors!) To prepare herself for the rigorous nurse's training this wild woman has spent the summer party partying! Way to go Stephanie!

TONY ZAMMIT

Tony, like the majority of us enjoys his spares and likes making his own spares by sleeping through all his classes. Tony's ambition in life is to take linguistics and teach New York Slang to immigrants. Maybe he'll even follow in Mr. Furfaro's footsteps (after all they both have the same first name). Best of Luck Tony!

TODD ZANDRI

Todd is one of those people who enjoys shocking his teachers by actually coming to class! Actually it's not that he enjoys skipping he just loves late-night parties. Seriously though Todd is naturally intelligent and as a result feels that class can be a waste of time. But he does provide intellectually based comments in any class he does attend. This guy will definitely go far probably as a teacher!

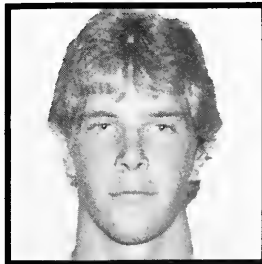

SONIA ZANIN

Sonia spent most of gr. 13 stumping the math teachers as her final averages in Functions and Calculus exceeded 100%. She idolizes Mrs. Bertholy and wishes to follow in Frankie's footsteps (see Doris Sbrizzi). Sanja stayed on the wagon this year and is using the money she saved to tour Italy with Doris. Like many 13's she is irritated by Fr. T's scarle (better get rid of it Padre). Remember Kiddo, Milkshakes are dangerous!

DIANA ZANINI

Diana's contributions to say the least include The Reach for the Top Team, The Peace and Development Club, Music and maintaining an extremely high I.Q. Diana is off to U.W.O. and will probably be found in the Think Tank finding a cure for cancer. Good Luck to the future surgeon! We know you'll be a success in whatever field you take on!!

JEFF ZEBREGTS

Jeff will always be remembered for his well-fitted clothes (especially his pants!) This guy really knows how to look great! You can always count on Jeff to bring the beer if there is a good party involved. Keep on enjoying Jeff and Good luck in the future!

The following Grade 13's either provided no survey or no photo so we decided to list them here. Good Luck in the Future!!!

IVAN ZOVKO

Last but not least is Ivan, who is really known as John. John is one of the taller grade 13's (or should I say tallest?). He could always be seen at his favourite night-time hangout, Hoagy's - where he works. Perhaps this explains why John practically lived at the attendance office trying to get late slips for class every morning! Keep on partying John and have a great life!

THIRTEEN MASS

CATHOLIC CENTRAL HIGH SCHOOL

Lord God, I believe that you have made the whole universe and each person in it. You have "loved us with an everlasting love" and you have called me by name (Isaiah 43).

I am grateful for the education I have received at Catholic Central helping me to grow in relationship to Jesus, to your people, and to all of your creation.

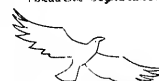

I choose the values of the Gospel rather than the values which the world imposes.

Help me to choose life and to commit myself to my brothers and sisters, always trusting in your saving help.

Class of '85

Mitchell (Principal) congratulates the graduating class.

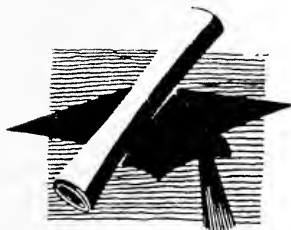

Graduation is
an ending ~ and
a beginning.

If one advances confidently
in the direction of
his dreams,
and endeavors to live the life
which he has imagined,
he will meet with
a success
unexpected in common hours.

laugh. Then we die."*

Those who did not attend this social attended the Gr. 13 Social (referred to by some as the Loser Party). It was hosted by Jeff Young and Rich Burjaw. Another smashing success!

When you wish upon a star
Spring Prom '85

We spent the night dining and dancing under the moon and stars
And what a night it was!! Everyone looked and felt their best in their
stunning tuxedos and gowns. Congratulations and many thanks to
Colette Boutte and Rob McGrath, the prom committee heads (shown
above), who organized a terrific prom. The delicious meal was catered
by Chelsea Green and our music for the evening was provided by the
unique band called Radio. The sparkling decorations included dazzling
stars and a somewhat authentic silvery moon. All of these combined
created a starry atmosphere which set a fantastic mood for the whole
evening!! Congratulations also to our 1985 Prom Queen, Lisa De
Ruiter as well as our other princesses, all of which were lovely choices.
This classy, crazy, party was a great time for all who attended.
Here's hoping next year's is just as good! As a concluding thought just
remember that "When you wish upon a star, makes no difference who
you are, your dreams come true!"

BLUE LIGHTNING

C.C.H.'s Track and Field Team, like streaks of Blue Lightning, ran faster, jumped higher, and threw further than anyone ever dreamed they would this year. Lead by head coach Mrs. Geromette and a host of other talented track and field instructors, our team collected more awards than David Peterson's Liberals did votes this spring of 1985. Our team sent more athletes to W.O.S.S.A. than most schools have on their team. So who says that too many cooks spoil the broth. Sure, we all know that too many superstars ruined the Expos, but that certainly was not the case with our Track and Field team. They took the overall girls title at Conference and finished second in overall boys, as well they claimed the unofficial Conference Championship for overall points. And talk about superstars, C.C.H. claimed first prize in nine different events. A list of those superstars includes:

Claude Bartholomew - midget boys Long Jump

Connie Beukeboom - jr. girls 400m
" " 800m

Paul O'Brien - jr. boys 400m

Dave Benjamin - sr. boys 400m

Mark Regan - sr. 400m hurdles
open girls 4 x 400 relay:

Connie Beukeboom

Annette Roks

Sheila McCabe

Nancy Day

sr. boys 4 x 400 relay:

Tim Halls

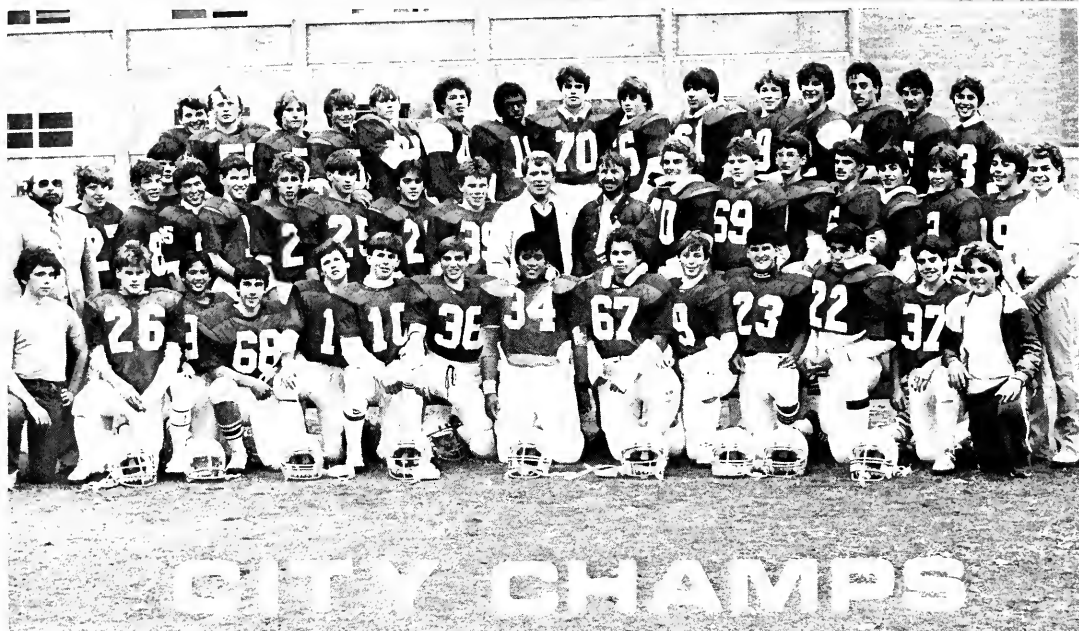

Dave Benjamin

Joe Hattayer

Paul O'Brien

57 athletes in all, qualified for W.O.S.S.A. and 15 of those qualified for O.F.S.A.A., and as if that's not enough, Mrs. Geromette expects the team will improve next year.

junior football

- the story

The last time a conference title was brought home was in 1972. Now again the title is back. Last time it was the seniors, this time our mighty undefeated juniors rolled over the Laurier Rams to end a very successful season.

It was a sunny Saturday morning, just right for a championship game. The team was ready and had the whole school supporting them. The opening kick-off was about to take place, the whole season came down to one game. The Crusaders received the opening kick-off and returned it to the 35 yard line where the best offence in the city took over. Russel Cooper, a dominant player in the game, received the first pass being brought down on the 35 yard line. The fakes were awesome with Laurier's defence baffled with each ensuing play. The strong offence fought their way down to the 3 yard line before a fumble cost them a touchdown. They were close enough to taste a score and had it

CRUZ AND CO. REJOICE!!!

snatched from their grasp.

Laurier took over the ball and a strong determined defence continually snuffed their efforts, finally forcing a punt and another chance for a touchdown. The game was played on throughout the rest of the first half with both teams exchanging the ball to end in a scoreless half.

The second half is a whole new game. Starting out at 0-0 with only two quarters to score for a possible victory. The first couple of possessions ended in punts. On a fake by Ben Legge and fine blocking by the offensive line, Ben scrambled 55 metres breaking tackles to score the only six points of the game.

Laurier was not yet defeated and after a strong offensive drive was stuffed by superb defensive plays by P.J. Gleason, they fumbled on the Crusader 2 yard line to be recovered by Russ Cooper.

The offence once again stormed the now weakened Lambs as they rushed to the 20 yard line within scoring distance, as the time expired to bring a City Championship to C.C.H.

senior football

This year's team was the best in a long time for C.C.H. After going 4-2 in the regular season, including the Red Feather victory over Westminster the team entered the play-offs with high hopes. In the first game our guys upset the previously undefeated Laurier Rams 21-7. Once again we came up against the Pussycats, but some poor field conditions and strange coloured goalposts distracted the Crusaders just enough to make them miss the finals by one game. A fine showing by all the guys, and they'll be back again next year, eating up the opposition!

This great team looks forward to recapturing the London Conference Basketball Title after losing to the Vikings by a close 44-41 in the semi-finals. The Senior Boys Basketball Team did better than anyone expected this year, including themselves. Despite a couple of pre-season set backs at the hands of highly over-rated Beal, our guys came through all the way to the finals where they defeated Banting to take the Conference title. Perhaps a more fitting end to their fantastic season would have been to end it with the humiliation of those Beal Raiders, but the Championship was satisfaction enough for coaches Gary Curgin, Denny Dakin and their troops. However the most exciting thing about the championship was the fact that CCH won it with four gr. 11's and two gr. 12's on the team, which means we'll have a good core of players back for next year ready to pick up where the team left off. Special Congratulations to the graduating players, Bill Thompson, Don Hewey, Walter Stemberg, Richard Dinon, Greg Lonc and Sam Rondinelli. Congratulations also to Jon Pensa (photo at right) who was voted most valuable player. Way to go guys!!

Many thanks Andy for all your help in writing several of the sports write-ups in this section.

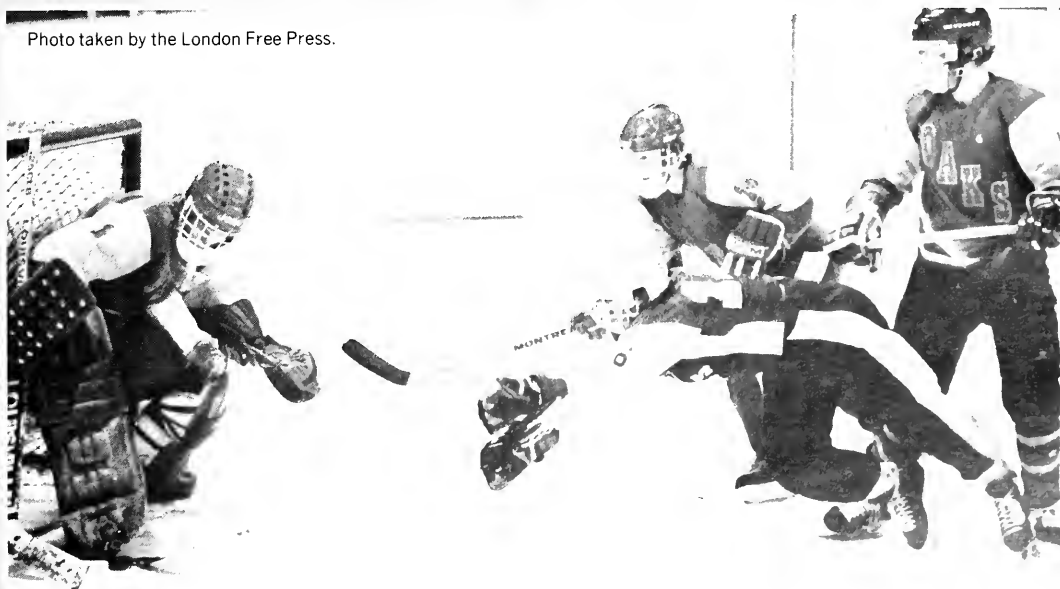

This year's hockey team was not only one of the best C.C.H. has ever seen, but also one of the most productive teams, winning a bronze at the U.W.O. Christmas tournament and a silver in the Peterborough Sno-fest tourney, one of the largest tournaments in the province. As well, our team finished first in the west division in London Conference, had the best goals against average in the league and the second best goals for average in the league. The team gave us exciting hockey all year, and despite their upset loss at the hands of Oakridge in the play-offs, we can all be very proud of them. Way to go guys!!

1984-85 was a very successful year for the debating club. The club grew significantly as many juniors turned out to debate.

C.C.H. Debaters won many awards in the conference this year. John Snyder won a 2nd place trophy, Greg Brockmann had a 1st and a 3rd, Ted Kiernan a 1st and a 2nd and Club President Chris Stanek a 1st place trophy in the four London debates.

In the Regionals London Conference finals CCH debaters again dominated. Chris Stanek finished 2nd and Ted Kiernan 6th, both qualifying for the Provincial Championships in Windsor.

The "most promising debater" award this year was won by gr. nine David Morgan. The interest in the club by juniors indicates that debating at CCH will be strong for some time to come!

The Band and Orchestra had a very good year this year. First of all, the Band won a third place and a first place in the Kiwanis Festival, the Orchestra beat Central and Saunders to win two first place awards in the festival and the Chamber Orchestra also placed first. This year we also had a Triple Trio enter the Kiwanis. There was just one problem - the competitors heard how good we were and didn't show up. The Triple Trio still scored a 90 and received much praise from the judge. The highlight of the year was the trip to Florida. The Band and Orchestra both came away with bronze medals and the Chamber Orchestra won a silver medal. We also visited EPCOT Centre, Disney World, went shopping and swam our free time away in the hotel pool. Overall, it was worth all those early morning rehearsals. Thanks to Mr. Murphy and Mr. Hart who put up with us even when it was close to impossible. Good Luck to next year's music council as well as the band and orchestra!

Colette and Rob would like to take this opportunity to apologize to anyone who didn't get the seats or tables they reserved. The mix-up with reservations seemed to be the only setback for the whole evening. Overall Catholic Central's 1985 Spring Prom went really well and ran very smoothly! Colette would also like to say a special thanks to all those who put up with her the week of the prom and good luck to next year's committee heads, Don and Laurie!

ELECTION COMMITTEE

THIRD ROW: Stephanie Young, Darlene Dunn, Olivia Nugent, Glen McMinn, Mike Phillips, Mike Smithson, Veronica Van Rooyen, Martin Healy, Colette Boutte, Ron Ellis, Deirdre Rowland. SECOND ROW: Susan Fekete, Mark Vigna, Catherine Legge, Martha Gleason, Chris Clifford, Bev Schmit, Gerrie O'Donnell, Jeff Spriet, Chris Gorman, Mark Regan, Lisa De Ruiter (Head).

STUDENT COUNCIL

BACK ROW: Bev Schmit (Treasurer), Jeff Spriet (B.A.A.), Martin Healy (Vice-Prez.), Ron Ellis (Pres.), Danny Payne (C.I.A.), FRONT ROW: Rich Burjow (Social Covener), Christine Paczkowski (G.A.A.), Gerrie O'Donnell (Secretary), Stephanie Young (Secretary). INSERT AT RIGHT: Dave Benjamin (Blue and White).

We at C.C.H. are a very large group of individuals. To some this may be seen as a contradiction in terms. To understand, all one has to do is simply look around the community of Catholic Central, . . . a place where individuals express their opinions, share their ideas, and ideals, and mostly, . . . it is a place where the attitude and contribution of each individual effects the attitude and outcome of the entire community. We help or hinder the growth of other individuals, and each experience good and bad. All of this serves to make each individual a better person.

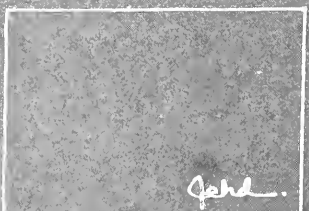

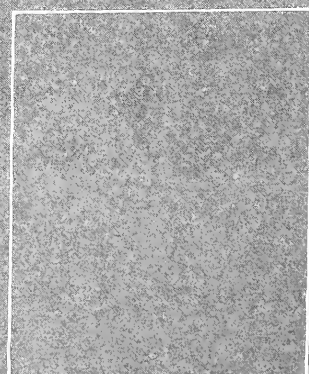

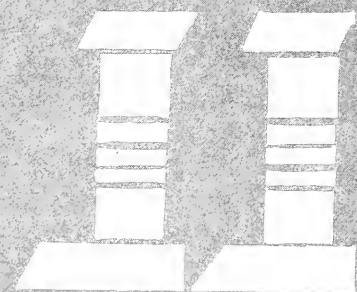

This book is not merely a collection of photos and slogans, but rather a recording of our growth, both as a community and as individuals within that community.

It is therefore, with that individual spirit in mind, that I, on behalf of everyone in the school wish everyone else in the school the best in life. It was the pleasure of each of us getting to know all of us that made this year all the more worthwhile. Thanks for the memories! Enjoy!

God love and bless you all.
Your friend Ron.

Good-bye '85

THE EDITOR'S MESSAGE

Well the Yearbook is finally here (better late than never!). I hope it was well worth the wait for everyone. It has certainly been a very interesting year. One I will never forget even if I wanted to. Not only did I learn almost everything there is to know about creating a yearbook (such as layouts, taking pictures, doing writeups, artwork, typing, advertising and the list goes on and on . . .) I also learned a lot about life and people; their attitudes and their personalities. It may have been a lot of work but it was worth every minute of it (well almost every minute of it!) Believe it or not, this has been one heck of a learning experience. 1985 has definitely been a very fulfilling year for this editor. I will always cherish both the good and bad, but especially the good as I recall grade 13, the year I was editor.

I thank you Crusaders, yes you, for such a unique experience but hope that I never encounter such a nerve-breaking year again. Special thanks to the following people - Terence Chan for taking such great photos and always helping out in the darkroom; Jehd Canceran for his terrific artwork on the division pages, gr. 13 character sketches, Year in Review and some of the club logos; Rob Ford for his superb artwork on some of the club logos; Andrew Cardinal for some of the sports write-ups; Anna Mammarella for all her help with the Graduate Section; Lisa Meckbach for her creative gr. 13 write-ups (thanks also to Jenny Hosein who I forgot to mention in the thirteen section); John Paul Moczulski for his great sports shots (even if they were already used in the Knightrider). Many thanks also to Mrs. Heiland and Fred Cudney for their persistence and undying patience as well as Paulette Chase (the lady in Winnipeg where our yearbook is printed). Many thanks especially to my parents, my Italian mom and my Dutch dad, for all their support. Thanks mom for putting up with such a mess and for being such a great co-editor. Thanks Dad for providing the financial assistance necessary to put this thing together and for your continuing encouragement. Many thanks also to anyone I may have forgotten who helped in some way or another with the production of this yearbook.

I hope that as you flip through the pages of 1985 it brings back some of those terrific memories you have of CCH. 1985 was a great year for C.C. High. I hope this yearbook was able to capture some of that greatness. As a bit of concluding advice, take one day at a time, enjoy every moment of life that you can, keep your priorities straight and always be yourself.

Good Luck Crusaders in whatever the future confronts you with. Keep on enjoying!! Ciao for now.

Editor '85.

Footprints

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand: one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it.

"Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The Lord replied, "My son, My precious child, I love you and would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

Promise yourself

To be strong that nothing can disturb your peace of mind

To talk health, happiness and prosperity to every person you meet

To make all your friends feel that there is something in them

To look at the sunny side of everything and make your optimism come true

To think only the best,
to work only for the best
and to expect only the best

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future

To wear a cheerful countenance at all times and to give every living creature you meet a smile
